*Direct charges to the consolidated funds are not included in the appropriation bill. Direct charges are items of expenditure which are charged to the consolidated fund but not required to be included in the Appropriation Act. They are itemized in the draft estimates of expenditure and include salary and allowances – General Administration, Renumeration to Board Members and Government Contribution to N.I.S. Therefore, total appropriation plus direct charges will constitute total budgeted expenditure for the year.*
Analysis and Summary of Expenditure

Recurrent Expenditure refers to the payments for expenses which are incurred during the day-to-day operations of the Board for Personnel Expenditure, Goods and Services and Minor Equipment Purchases. Recurrent Expenditure for Fiscal Year 2017/2018 is $8,211,160.00.

➢ The Revised Estimate for Recurrent Expenditure for Fiscal Year 2016/2017 was $7,711,165.00. Comparing this figure with Fiscal Year 2017/2018, there was an overall increase of $499,995.00 or 6%.

➢ The largest portion of the allocation has consistently gone to Sub-Head 02 Goods and Services. This figure has been fluctuating over the period 2012-2018, accounting for on average 61% of total funding for the Board. Comparing 2016/2017 to 2017/2018, there was a decrease in the allocation by 5%.

➢ Minor Equipment Purchases received the lowest portion of the total allocation for the Board over the period 2012 to 2018.

➢ The total allocation of the Board has been fluctuating over the seven (7) year period.
Summary of Development Programme Expenditure for the period 2012-2018

Development Programme is capital expenditure aimed at improving and enhancing development in different areas of Trinidad and Tobago which includes; human resources, economic and social development.

The Public Sector Investment Programme (PSIP), which represents the capital expenditure component of the National Budget, is the instrument used by Government to effect its vision and policies. It is a budgeting and strategic planning tool made up of projects and programmes, designed to realise the goals set out in the Government’s overarching policy.

The PSIP budget document provides a detailed description of the programmes and projects and includes a review of the implementation of projects and programmes in the previous financial year and highlights the major projects and programmes to be implemented in the upcoming financial year.

- The Public Sector Investment Programme is intended to achieve:
  - the country’s social and economic development goals; and
  - enhance the quality of life of all citizens.

The estimates for the development programme are presented in two parts as follows:

- Funds appropriated by Parliament and disbursed directly from the Consolidated Fund; and
- Funds disbursed from the Infrastructure Development Fund.
