BILL

An Act to amend the Births and Deaths Registration Act, Chap. 44:01
THE BIRTHS AND DEATHS REGISTRATION (AMENDMENT) BILL, 2012

Explanatory Note

(These notes form no part of the Bill but are intended only to indicate its general purport)

This Bill would amend the Births and Deaths Registration Act, Chap. 44:01 (hereinafter referred to as “the Act”) to enable the name of a child to be entered on the Register of Births at any time after the birth has been registered.

Clause 1 of the Bill would provide the short title.

Clause 2 of the Bill would, inter alia, amend section 22(1) of the Act to remove the time limit of twelve months, from the date of registration of a child’s birth, in respect of the late entry of the child’s name in the register book. Clause 2 would also amend the Act by including four new sections.

Under the proposed subsection (1A), where the birth of a child has been registered without a name and the child has subsequently been named, an application can be made to the Registrar General, at any time, for the name to be inserted in the Register.

The proposed subsection (1B) lists the documents that must accompany an application made under subsection (1A).

Under the proposed subsection (1C) the Registrar General may, upon receiving an application under subsection (1A), enter the name of the child in the register.

The proposed subsection (1D) would provide for a certified copy of the entry to be prepared as if the registration of the child’s birth had been made in the name so inserted.
