## **BILL**

AN ACT to amend the Public Procurement and Disposal  
of Public Property Act, No.1 of 2015

---

---

THE PUBLIC PROCUREMENT AND DISPOSAL OF PUBLIC  
PROPERTY (AMENDMENT) BILL, 2020

**Explanatory Note**

(These notes form no part of the Bill but are intended only to indicate its general purport)

The Bill would contain 10 clauses and seek to amend the Public Procurement and Disposal of Public Property Act, No. 1 of 2015.

Clause 1 of the Bill would contain the short title of the Act for which this is the Bill.

Clause 2 of the Bill would provide that the Act will come into effect on Proclamation by the President.

Clause 3 of the Bill would provide that the definition for the word “Act” in the Bill would mean the Public Procurement and Disposal of Public Property Act, No. 1 of 2015.

Clause 4 of the Bill would delete in section 4 the definition of “bid rigging” and substitute a new definition.

Clause 5 of the Bill would amend section 7. Subsection (2) is being amended as it currently gives rise to uncertainty since it provides for a treaty or agreement between Trinidad and Tobago and another State of international financial organisation to prevail in the event of conflict with the Act while, at the same time, requiring the procurement under such treaty or agreement to be governed by the Act. This may give rise to differences in interpretation and may undermine the prevalence of the treaty or agreement in practice. The subsection could also limit the Government’s access to certain types of financing under treaties, technical cooperation agreements or from international financial organisations. The amendment would therefore afford the Government full access to all international sources of funding that may be necessary to provide financial support to Trinidad and Tobago.

Clause 6 of the Bill would amend section 13(1) to delete one of the functions of the Office of the Procurement Regulator contained in paragraph (o). The function being deleted is that of acting for, in the name and on behalf of the State to dispose of real property owned by the Government in such manner as the Government may consider appropriate and desirable.

Clause 7 of the Bill would amend section 29 to expand the prohibition on directors and officers of, and individuals, employed with producers and suppliers to require that those persons have not been convicted within the past three years of corruption or fraud related offences locally or internationally.

Clause 8 of the Bill would amend section 50(12) to expand the time frame for the giving of reasons for decisions and actions taken by the Office of the Procurement Regulator from twenty working days to thirty days.

Clause 9 of the Bill would amend section 59 to provide that the term “relative” would mean a cohabitant, father, mother, brother, sister, son or daughter within the meaning of the Cohabitational Relationships Act, Chap. 45:55.

Clause 10 of the Bill would amend the effective dates of the operationalisation of the Act in relation to public officers exercising options under the Act.
