   AND WHEREAS small island states and coastal states are especially susceptible to the impact of climate change;

   AND WHEREAS the Caribbean region has, from time to time, experienced cycles of drought, heavy rainfall, hurricanes and floods;

   AND WHEREAS earthquakes and other natural disasters must be anticipated and prepared for;

   BE IT RESOLVED that this House agree that the Government develop a holistic and sustainable national response to climate change inclusive of solutions to the perennial flooding in Trinidad and Tobago and the effective management of drought conditions and the impact of such disasters on the quality of human life.

   (By the Member for Caroni Central)

3. WHEREAS the prices of oil and natural gas on which the 2020 Budget was premised were too high and production of natural gas is likely to be lower than estimated yielding shortfalls in revenue targets;

   AND WHEREAS business and consumer confidence in the economy continues to deteriorate, characterised by business closures, lack of investment and job losses;
AND WHEREAS the official debt is upward of one hundred billion, indebtedness is much higher and our foreign reserves, unsupported by export gains have been dwindling;

AND WHEREAS there has been little action with regard to diversification;

AND WHEREAS Government policy is yet to yield recovery, prompt a structural shift or transform the economy;

AND WHEREAS the fiscal, monetary and economic policies of the Government have been a collection of contradictions and a total failure;

BE IT RESOLVED that this House call on the Prime Minister to immediately dissolve Parliament and call for a General Election to facilitate the change needed to execute coherent and inclusive policies that will promote the recovery and renewal of confidence of the economy.

(By the Member for Caroni Central)

4. WHEREAS the public health sector of Trinidad and Tobago over the past four (4) years has deteriorated, with significantly increased morbidity and preventable deaths;

AND WHEREAS the collapse of the primary health care system has resulted in widespread suffering from chronic, non-communicable diseases;

AND WHEREAS there is overcrowding of Accident and Emergency Departments at public hospitals, with unacceptable waiting times for surgeries as a result of insufficient medical resources and non-functioning diagnostic equipment among other things;

AND WHEREAS numerous nationals were denied employment as doctors, nurses and technicians, despite the shortage of these professionals;

AND WHEREAS the closure of the Central Block of Port of Spain General Hospital has led to patients of North and West Trinidad being deprived of health care;

AND WHEREAS the Government has refused to put the modern Couva Hospital into optimum use and has terminated construction of the National Oncology Centre;

BE IT RESOLVED that this House condemn this Government for its mismanagement of the health sector and call for the implementation of extensive remedial measures, policies and programmes.

(By the Member for Caroni East)

5. WHEREAS Trinidad and Tobago’s energy sector has been a significant contributor to our nation’s revenue, generating employment and promoting economic stability and infrastructural and national development;

AND WHEREAS the Government has failed on its commitment to create an environment in which producer companies in the energy sector and aggressively seek new discoveries in oil and gas;
AND WHEREAS the Government has failed to deliver its promise of ensuring that we have an attractive, competitive and responsive fiscal and regulatory environment that will maximise recovery of our hydrocarbon resources;

AND WHEREAS over the last four years we have seen a reduction in oil and gas production and numerous closures of key operators, service providers and companies within the energy sector;

AND WHEREAS the state of our energy sector presents detrimental consequences for our economy;

BE IT RESOLVED that this House condemn this Government’s failure to stimulate, secure and sustainably grow our energy sector in a timely manner.

(By the Member for Pointe-a-Pierre)

6. WHEREAS there has been a decline in the student participation rate in the tertiary education from 2016 to 2019;
