Motions:

1. The debate on the following Motion which was adjourned on Friday May 22, 2020 will be resumed:

   WHEREAS the Government is bungling the management of the human aspect of the COVID-19 crisis to the distress of citizens, a large number of whom is without work and struggle to put food on the table;

   AND WHEREAS the emergency economic measures put in place to support businesses are not working and are having a devastating effect on general commerce especially small, medium and micro businesses;

   AND WHEREAS citizens are fearful for their future and see no hope of recovery and prosperity under this Government post-COVID-19, especially given the state of the oil and gas sector, the loss of business confidence, little investment, continuous decline and lack of growth:

   BE IT RESOLVED that this House agree that the Government should favourably consider the Leader of the Opposition’s proposals to the Prime Minister of an Economic Master Plan; and

   BE IT FURTHER RESOLVED that this House agree that the Government should facilitate a genuine bipartisan collaboration, towards a national policy for recovery and growth in Trinidad and Tobago.

   (By the Member for Caroni Central)

2. The debate on the following Motion which was adjourned on Friday February 28, 2020 will be resumed:

   WHEREAS since 2015 this Government has been unable to provide for the safety and security of citizens resulting in increases in serious crimes particularly murder;

   AND WHEREAS in 2019 Trinidad and Tobago has experienced two consecutive years with over 516 murders and witnessed in 2019 the second highest annual murder rate in its history;

   AND WHEREAS the Government has been unwilling or unable to articulate specific, measurable, timely, and outputs-oriented crime-reduction targets;

   AND WHEREAS the Government has failed to realize that an ‘Whole of Government Approach’ to solving crime is necessary;

   BE IT RESOLVED that this House condemns this Government for its failure to deal with rampant crime.

   (By the Member for Naparima)
3. The debate on the following Motion which was in progress when the House adjourned on Friday November 22, 2019 will be resumed:

WHEREAS Climate Change is a matter of global concern which threatens all nations;

AND WHEREAS small island states and coastal states are especially susceptible to the impact of climate change;

AND WHEREAS the Caribbean region has, from time to time, experienced cycles of drought, heavy rainfall, hurricanes and floods;

AND WHEREAS earthquakes and other natural disasters must be anticipated and prepared for;

BE IT RESOLVED that this House agree that the Government develop a holistic and sustainable national response to climate change inclusive of solutions to the perennial flooding in Trinidad and Tobago and the effective management of drought conditions and the impact of such disasters on the quality of human life.

(By the Member for Caroni Central)

4. WHEREAS the prices of oil and natural gas on which the 2020 Budget was premised were too high and production of natural gas is likely to be lower than estimated yielding shortfalls in revenue targets;

AND WHEREAS business and consumer confidence in the economy continues to deteriorate, characterised by business closures, lack of investment and job losses;

AND WHEREAS the official debt is upward of one hundred billion, indebtedness is much higher and our foreign reserves, unsupported by export gains have been dwindling;

AND WHEREAS there has been little action with regard to diversification;

AND WHEREAS Government policy is yet to yield recovery, prompt a structural shift or transform the economy;

AND WHEREAS the fiscal, monetary and economic policies of the Government have been a collection of contradictions and a total failure;

BE IT RESOLVED that this House call on the Prime Minister to immediately dissolve Parliament and call for a General Election to facilitate the change needed to execute coherent and inclusive policies that will promote the recovery and renewal of confidence of the economy.

(By the Member for Caroni Central)

5. WHEREAS the public health sector of Trinidad and Tobago over the past four (4) years has deteriorated, with significantly increased morbidity and preventable deaths;

AND WHEREAS the collapse of the primary health care system has resulted in widespread suffering from chronic, non-communicable diseases;
AND WHEREAS there is overcrowding of Accident and Emergency Departments at public hospitals, with unacceptable waiting times for surgeries as a result of insufficient medical resources and non-functioning diagnostic equipment among other things;

AND WHEREAS numerous nationals were denied employment as doctors, nurses and technicians, despite the shortage of these professionals;

AND WHEREAS the closure of the Central Block of Port of Spain General Hospital has led to patients of North and West Trinidad being deprived of health care;

AND WHEREAS the Government has refused to put the modern Couva Hospital into optimum use and has terminated construction of the National Oncology Centre;

BE IT RESOLVED that this House condemn this Government for its mismanagement of the health sector and call for the implementation of extensive remedial measures, policies and programmes.

(By the Member for Caroni East)

6. WHEREAS Trinidad and Tobago’s energy sector has been a significant contributor to our nation’s revenue, generating employment and promoting economic stability and infrastructural and national development;

AND WHEREAS the Government has failed on its commitment to create an environment in which producer companies in the energy sector and aggressively seek new discoveries in oil and gas;

AND WHEREAS the Government has failed to deliver its promise of ensuring that we have an attractive, competitive and responsive fiscal and regulatory environment that will maximise recovery of our hydrocarbon resources;

AND WHEREAS over the last four years we have seen a reduction in oil and gas production and numerous closures of key operators, service providers and companies within the energy sector;

AND WHEREAS the state of our energy sector presents detrimental consequences for our economy;

BE IT RESOLVED that this House condemn this Government’s failure to stimulate, secure and sustainably grow our energy sector in a timely manner.

(By the Member for Pointe-a-Pierre)

7. WHEREAS there has been a decline in the student participation rate in the tertiary education from 2016 to 2019;
