PRIVATE MEMBERS’ BUSINESS

Motions:

(i) WHEREAS the Commissions of Enquiry Act, Chapter 19:01 provides for the establishment of Commissions to manage the conduct of enquiries into public officers, departments and matters of public welfare;

AND WHEREAS Commissions of Enquiry are recognized as an important tool for social investigation in contemporary society, an effective mechanism for delivering into and ameliorating matters of public concern;

AND WHEREAS successive Government administrations have failed to adequately address public concerns which have arisen from time to time on whether the Commissions of Enquiry in Trinidad and Tobago have been effectively and efficiently carrying out their mandate;

BE IT RESOLVED that this Senate call on the Government to review the Commissions of Enquiry Act, Chap. 19:01 and the public inquiry process in Trinidad and Tobago.

(By Senator Anthony Vieira)

(ii) WHEREAS in 2001 the States of the Caribbean Community established by agreement (by treaty) the Caribbean Court of Justice (“the Court”), convinced that the Court would have a determinative role in the development of Caribbean jurisdiction steeped in the ethos of the region;

AND WHEREAS Trinidad and Tobago, having ratified without reservation the agreement establishing the Court, is bound under treaty to refer its appeals to the Court in lieu of continuing to have them heard by the Judicial Committee of the Privy Council;

AND WHEREAS the unique and varied legal matters which arise in the Caribbean are far removed and foreign to the society, culture and habits of the Judicial Committee of the Privy Council, as sentiment echoed by Privy Council judges and senior British legal figures;

AND WHEREAS almost all Commonwealth States outside the Caribbean as well as four CARICOM states, have since delinked from the Privy Council, recognizing that it goes against the sovereignty of independent nations, and is therefore politically unacceptable, to have such a foreign tribunal permanently entrenched in their Constitutions as their final appellate Court;

AND WHEREAS this is an appropriate time for Trinidad and Tobago to accede to the Court in its appellate jurisdiction, so that the Country’s civil, criminal and constitutional appeals can be heard by the Court, which will also serve this Country’s democratic and developmental objectives regarding affordability, relevance and increased access to justice;

BE IT RESOLVED that this Senate agree that the Caribbean Court of Justice be recognized as the final Court of Appeal for Trinidad and Tobago and that the appropriate amendments be made to alter the Constitution of Trinidad and Tobago so as to entrench the court as its final court of appeal.

AND WHEREAS there has been improved sales and purchases of foreign exchange by authorized dealers recorded thus far in 2022 due to higher energy prices;

AND WHEREAS it is recognized that micro, small and medium-sized enterprises (MSMEs) and the wider population continue to experience the negative effects from the difficulty in accessing foreign exchange, notwithstanding interventions by the Central Bank and the Government to ease tight foreign exchange market conditions;

BE IT RESOLVED that this Senate call on the Government to table in Parliament, within six (6) months, a comprehensive policy framework that will guide key stakeholders, including MSMEs, the Central Bank of Trinidad and Tobago and Commercial Banks on how the Government intends to navigate the tightness in the foreign exchange market to overcome downside risks in the medium and long-term.

AND WHEREAS the position and authority of the President of the Senate ought not to be used in a partisan manner to prevent and or stymie criticism of the Government;

AND WHEREAS the Senate President is the servant of the Senate and not of the Government and as such ought to be impartial at all times;
