- The Office of the Director of Public Prosecutions;
- The Parliamentary Opposition; and
- The Media; and

**WHEREAS** other Members of the Cabinet of Trinidad and Tobago, specifically, the Attorney General and the Minister of Local Government have also participated in such attacks against these important institutions of our democracy:

**WHEREAS** the GATE programme with governing regulation for efficient implementation was established in pursuance of a policy of equity in access to tertiary education for all qualifying citizens, irrespective of social status or means, in order to impact positively the rate of transition from secondary to tertiary level so as to achieve a larger pool of qualified nationals capable of supporting national development goals; and

**WHEREAS** there have been reports that the Government proposes to support areas of priority study based on National Imperatives that have not been defined or agreed upon by the citizenry; and
