Motions

- (i) **The debate on the following motion which was in progress when the Senate adjourned on Tuesday August 03, 2010 will be resumed:**
- WHEREAS** Parliament is the arm of the State which gives effect to policy initiatives of the Executive through enabling legislation;
- AND WHEREAS** an efficient and effective Parliament can lead to improved governance for the benefit of citizens;

AND WHEREAS inordinate delays in the workings of Parliament can have an adverse impact on citizens, the economy and the society;

BE IT RESOLVED that Parliament take steps to evaluate its efficiency and effectiveness;

AND BE IT FURTHER RESOLVED that arising from the evaluation, Parliament take the necessary action within its control to maximize its efficiency and effectiveness.

(By Senator Subhas Ramkhelawan)

(ii) **WHEREAS** successive governments/administrations have alluded to the need for constitutional reform;

AND WHEREAS the previous People's National Movement administration tabled in Parliament and circulated for public comment, a blue print for Constitutional Reform;

AND WHEREAS the current People's Partnership administration had indicated during the election campaign that certain Constitutional Reform measures are to be pursued;

AND WHEREAS the repeal and replacement of the entire Constitution may not be the necessary, desirable or effective approach to better align the overall requirements of the nation for a more just and equitable society and enhanced governance;

BE IT RESOLVED that the process of Constitutional Reform be pursued through a series of amendments addressing specific areas of concerns;

AND BE IT FURTHER RESOLVED that the rationale for, as well as the scheduling and sequencing of each series of proposed amendments to the Constitution, be effectively communicated to the citizens of Trinidad and Tobago prior to debate in the Parliament.

(By Senator Subhas Ramkhelawan)

(iii) **WHEREAS** we live in a world driven by Science and Technology; and

WHEREAS there is an established strong correlation between Science and Technology on one hand and economic development on the other; and

WHEREAS there is a need to diversify our economy and look for new directions for sustainable economic development; and

WHEREAS such new directions can be engendered by the proper application of Science and Technology.

BE IT RESOLVED that the Government of Trinidad and Tobago create with a sense of urgency the necessary policies and enabling environment to promote the full development of Science and Technology and facilitate its contribution to our economic development.

(By Senator Prof. Harold Ramkissoon)
