BILL

AN ACT to repeal the Tax Information Exchange Agreements Act and replace it with a new Tax Information Exchange Agreements Act which would make provision for the implementation of agreements between Trinidad and Tobago and other States providing for the exchange of information for the purposes of taxation, to validate the sharing of personal information held by the Board of Inland Revenue or be financial institutions and for related purposes

[, 2016]

Preamble

WHEREAS the Tax Information Exchange Agreement Act (“the Act”) was enacted in 1989 to all for the implementation of agreements between Trinidad and Tobago and other States providing for the exchange of information for purposes of taxation:

And whereas Trinidad and Tobago entered into a Tax Information Exchange Agreement with the United States of America on 11th January, 1989 (the 1989 Agreement) on the basis of which an Order was made by the President declaring that agreement to be a declared agreement:

And whereas the Act provides for the sharing of personal information of identifiable individuals without first obtaining their consent for such sharing:

And whereas the sharing of personal information of identifiable individuals without first obtaining their consent for such sharing amounts to a breach of that person’s right to his family and private life as guaranteed by section 4 of the Republican Constitution:

And whereas the Republican Constitution by section 5 provides that no law may abrogate, abridge or infringe or authorize the abrogation, abridgement or infringement of any of the rights contained in section 4 of the Republican Constitution:

And whereas section 13 requires any Act which seeks to abrogate, abridge or infringe or authorize the abrogation, abridgement or infringement may have effect even though inconsistent with the Constitution of the Bill relative to the Act expressly states that it is inconsistent with sections 4 and 5 of the Constitution and is passed by both Houses of Parliament with a vote of not less than three-fifths of all the members of Parliament:

And whereas the Act was passed in both Houses of Parliament with a simple majority and did not expressly state that it was inconsistent with sections 4 and 5 of the Constitution:

And whereas personal information in the possession of the Board of Inland Revenue has been shared with the Secretary of the Treasury under the 1989 Agreement without the consent of the person to whom the information relates:

And whereas it has become necessary to validate the actions of the Board of Inland Revenue in this regard and to make amendments to the Act in order to give effect to different types of Tax Information Exchange Agreements:

And whereas one such agreement is a response to the enactment by the United States of America of an Act commonly known as “the Foreign Account Tax Compliance Act” (FACTA) which introduced a reporting regime for financial institutions with respect to certain accounts held by such financial institutions:

And whereas financial institutions in Trinidad and Tobago holding subsidiaries in the United States of America are required to comply with the reporting regime:

And whereas the Government of the United States of America collected information regarding certain accounts maintained by financial institutions held by residents of Trinidad and Tobago and has agreed to exchange that information with the Government of Trinidad and Tobago:

And whereas the Government of Trinidad and Tobago is supportive of the reciprocal exchange of this information and has entered into an Agreement with the United States of America to improve international tax compliance and to implement FACTA:

And whereas Trinidad and Tobago may wish to enter into similar agreements with other States:

And whereas the implementation of these agreements may affect the right to family and private life of individuals in Trinidad and Tobago guaranteed by section 4 of the Constitution:

And whereas it is enacted *inter alia* by subsection (1) of section 13 of the Constitution that an Act of Parliament to which that section applies may expressly declare that it shall have effect even though inconsistent with sections 4 and 5 of the Constitution and, if any such Act does so declare, it shall have effect accordingly:

And whereas it is provided by subsection (2) of the said section 13 of the Constitution that an Act to which this section applies is one the Bill for which has been passed by both Houses of Parliament and at the final vote thereon in each House has been supported by the vote of not less than three-fifths of all members of that House:

And whereas it is necessary and expedient that the provisions of the Act shall have effect even though inconsistent with sections 4 and 5 of the Constitution:

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange information to administer and enforce the domestic laws of the Contracting States concerning taxes covered by this Agreement.

If the information available in the tax files of the requested State is not sufficient to enable compliance with the request, the State shall take all relevant measures to provide the applicant State with the information requested. The competent authorities of the Contracting States have authority to obtain and shall provide information from financial institutions. Privileges under the laws or practices of the applicant State shall not apply in the execution of a request but shall be preserved for resolution by the applicant State.

3. If information is requested by a Contracting State pursuant to paragraph 2 of this Article, the requested State shall endeavour to obtain the information requested in the same manner, and

SCHEDULE 2

(Sections 3, 12 and 25)

IGA AGREEMENT

Agreement between the Government of the Republic of Trinidad and Tobago and the Government of the United States of America to Improve International Tax Compliance and to Implement FATCA

Whereas, the Government of the Republic of Trinidad and Tobago and the Government of the United States of America (each, a “Party,” and together, the “Parties”) desire to conclude an agreement to improve international tax compliance through mutual assistance in tax matters based on an effective infrastructure for the automatic exchange of information;

Whereas, Article 4 of the Agreement between the Government of the Republic of Trinidad and Tobago and the Government of the United States of America for the Exchange of Information with Respect to Taxes, done at Port-of-Spain on January 11, 1989 (the “TIEA”), authorizes the exchange of information for tax purposes, including on an automatic basis;

Whereas, the United States of America enacted provisions commonly known as the Foreign Account Tax Compliance Act (“FATCA”), which introduce a reporting regime for financial institutions with respect to certain accounts;

Whereas, the Government of the Republic of Trinidad and Tobago is supportive of the underlying policy goal of FATCA to improve tax compliance;

Whereas, FATCA has raised a number of issues, including that Trinidad and Tobago financial institutions may not be able to comply with certain aspects of FATCA due to domestic legal impediments;

Whereas, the Government of the United States of America collects information regarding certain accounts maintained by U.S. financial institutions held by residents of Trinidad and Tobago and is committed to exchanging such information with the Government of the Republic of Trinidad and Tobago and pursuing equivalent levels of exchange, provided that the appropriate safeguards and infrastructure for an effective exchange relationship are in place;

Whereas, an intergovernmental approach to FATCA implementation would address legal impediments and reduce burdens for Trinidad and Tobago financial institutions;

Whereas, the Parties desire to conclude an agreement to improve international tax compliance and provide for the implementation of FATCA based on domestic reporting and reciprocal automatic exchange pursuant to the TIEA, and subject to the confidentiality and other protections provided for therein, including the provisions limiting the use of the information exchanged under the TIEA;

Now, therefore, the Parties have agreed as follows:

Notwithstanding the foregoing, an account shall not be treated as a U.S. Reportable Account if such account is not identified as a U.S. Reportable Account after application of the due diligence procedures in Annex I.
- (dd) The term “Account Holder” means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account for purposes of this Agreement, and such other person is treated as holding the account. For purposes of the immediately preceding sentence, the term “Financial Institution” does not include a Financial Institution organized or incorporated in a U.S. Territory. In the case of a Cash Value Insurance Contract or an Annuity Contract, the

Account Holder is any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the Account Holder is any person named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an Account Holder.

- (ee) The term “U.S. Person” means a U.S. citizen or resident individual, a partnership or corporation organized in the United States or under the laws of the United States or any State thereof, a trust if (i) a court within the United States would have authority under applicable law to render orders or judgments concerning substantially all issues regarding administration of the trust; and (ii) one or more U.S. persons have the authority to control all substantial decisions of the trust, or an estate of a decedent that is a citizen or resident of the United States. This subparagraph 1(ee) shall be interpreted in accordance with the U.S. Internal Revenue Code.
- (ff) The term “Specified U.S. Person” means a U.S. Person, other than: (i) a corporation the stock of which is regularly traded on one or more established securities markets; (ii) any corporation that is a member of the same expanded affiliated group, as defined in section 1471(e)(2) of the U.S. Internal Revenue Code, as a corporation described in clause (i); (iii) the United States or any wholly owned agency or instrumentality thereof; (iv) any State of the United States, any U.S. Territory, any political subdivision of any of the foregoing, or any wholly owned agency or instrumentality of any one or more of the foregoing; (v) any organization exempt from taxation under section 501(a) of the U.S. Internal Revenue Code or an individual retirement plan as defined in section 7701(a)(37) of the U.S. Internal Revenue Code; (vi) any bank as defined in section 581 of the U.S. Internal Revenue Code; (vii) any real estate investment trust as defined in section 856 of the U.S. Internal Revenue Code; (viii) any regulated investment company as defined in section 851 of the U.S. Internal Revenue Code or any entity registered with the U.S. Securities

and Exchange Commission under the Investment Company Act of 1940 (15 U.S.C. 80a-64); (ix) any common trust fund as defined in section 584(a) of the U.S. Internal Revenue Code; (x) any trust that is exempt from tax under section 664(c) of the U.S. Internal Revenue Code or that is described in section 4947(a)(1) of the U.S. Internal Revenue Code; (xi) a dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United States or any State; (xii) a broker as defined in section 6045(c) of the U.S. Internal Revenue Code; or (xiii) any tax-exempt trust under a plan that is described in section 403(b) or section 457(g) of the U.S. Internal Revenue Code.

- (gg) The term “Entity” means a legal person or a legal arrangement such as a trust.
- (hh) The term “Non-U.S. Entity” means an Entity that is not a U.S. Person.
- (ii) The term “U.S. Source Withholdable Payment” means any payment of interest (including any original issue discount), dividends, rents, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, and other fixed or determinable annual or periodical gains, profits, and income, if such payment is from sources within the United States. Notwithstanding the foregoing, a U.S. Source Withholdable Payment does not include any payment that is not treated as a withholdable payment in relevant U.S. Treasury Regulations.
- (jj) An Entity is a “Related Entity” of another Entity if either Entity controls the other Entity, or the two Entities are under common control. For this purpose control includes direct or indirect ownership of more than 50 per cent of the vote or value in an Entity. Notwithstanding the foregoing, Trinidad and Tobago may treat an Entity as not a Related Entity of another Entity if the two Entities are not members of the same expanded affiliated group as defined in section 1471(e)(2) of the U.S. Internal Revenue Code.
- (kk) The term “U.S. TIN” means a U.S. federal taxpayer identifying number.

- (ll) The term “Trinidad and Tobago TIN” means a Trinidad and Tobago taxpayer identifying number.
- (mm) The term “Controlling Persons” means the natural persons who exercise control over an Entity. In the case of a trust, such term means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. The term “Controlling Persons” shall be interpreted in a manner consistent with the Financial Action Task Force Recommendations.

2. Any term not otherwise defined in this Agreement shall, unless the context otherwise requires or the Competent Authorities agree to a common meaning (as permitted by domestic law), have the meaning that it has at that time under the law of the Party applying this Agreement, any meaning under the applicable tax laws of that Party prevailing over a meaning given to the term under other laws of that Party.

1. Treatment of Reporting Trinidad and Tobago Financial Institutions. Each Reporting Trinidad and Tobago Financial Institution shall be treated as complying with, and not subject to withholding under, section 1471 of the U.S. Internal Revenue Code if Trinidad and Tobago complies with its obligations under Articles 2 and 3 of this Agreement with respect to such Reporting Trinidad and Tobago Financial Institution, and the Reporting Trinidad and Tobago Financial Institution:

- (a) identifies U.S. Reportable Accounts and reports annually to the Trinidad and Tobago Competent Authority the information required to be reported in subparagraph 2(a) of Article 2 of this Agreement in the time and manner described in Article 3 of this Agreement;

- (c) complies with the applicable registration requirements on the IRS FATCA registration website;
- (d) to the extent that a Reporting Trinidad and Tobago Financial Institution is (i) acting as a qualified intermediary (for purposes of section 1441 of the U.S. Internal Revenue Code) that has elected to assume primary withholding responsibility under chapter 3 of subtitle A of the U.S. Internal Revenue Code; (ii) a foreign partnership that has elected to act as a withholding foreign partnership (for purposes of both sections 1441 and 1471 of the U.S. Internal Revenue Code); or (iii) a foreign trust that has elected to act as a withholding foreign trust (for purposes of both sections 1441 and 1471 of the U.S. Internal Revenue Code), withholds 30 per cent of any U.S. Source Withholdable Payment to any Nonparticipating Financial Institution; and

- (e) in the case of a Reporting Trinidad and Tobago Financial Institution that is not described in subparagraph 1(d) of this Article and that makes a payment of, or acts as an intermediary with respect to, a U.S. Source Withholdable Payment to any Nonparticipating Financial Institution, the Reporting Trinidad and Tobago Financial Institution provides to any immediate payor of such U.S. Source Withholdable Payment the information required for withholding and reporting to occur with respect to such payment.

Notwithstanding the foregoing, a Reporting Trinidad and Tobago Financial Institution with respect to which the conditions of this paragraph 1 are not satisfied shall not be subject to withholding under section 1471 of the U.S. Internal Revenue Code unless such Reporting Trinidad and Tobago Financial Institution is treated by the IRS as a Nonparticipating Financial Institution pursuant to subparagraph 2(b) of Article 5 of this Agreement.

2. Suspension of Rules Relating to Recalcitrant Accounts. The United States shall not require a Reporting Trinidad and Tobago Financial Institution to withhold tax under section 1471 or 1472 of the U.S. Internal Revenue Code with respect to an account held by a recalcitrant account holder (as defined in section 1471(d)(6) of the U.S. Internal Revenue Code), or to close such account, if the U.S. Competent Authority receives the information set forth in subparagraph 2(a) of Article 2 of this Agreement, subject to the provisions of Article 3 of this Agreement, with respect to such account.

3. Specific Treatment of Trinidad and Tobago Retirement Plans. The United States shall treat as deemed-compliant FFIs or exempt beneficial owners, as appropriate, for purposes of sections 1471 and 1472 of the U.S. Internal Revenue Code, Trinidad and Tobago retirement plans described in Annex II. For this purpose, a Trinidad and Tobago retirement plan includes an Entity established or located in, and regulated by, Trinidad and Tobago, or a predetermined contractual or legal arrangement, operated to provide pension or retirement benefits or earn income for providing such benefits under the laws of Trinidad and Tobago and regulated with respect to contributions, distributions, reporting, sponsorship, and taxation.

4. Identification and Treatment of Other Deemed-Compliant FFIs and Exempt Beneficial Owners. The United States shall treat each Non-Reporting Trinidad and Tobago Financial Institution as a deemed-compliant FFI or as an exempt beneficial owner, as appropriate, for purposes of section 1471 of the U.S. Internal Revenue Code.

5. Special Rules Regarding Related Entities and Branches that are Nonparticipating Financial Institutions.

If a Trinidad and Tobago Financial Institution, that otherwise meets the requirements described in paragraph 1 of this Article or is described in paragraph 3 or 4 of this Article, has a Related Entity or branch that operates in a jurisdiction that prevents such Related Entity or branch from fulfilling the requirements of a participating FFI or deemed-compliant FFI for purposes of section 1471 of the U.S. Internal Revenue Code or has a Related Entity or branch that is treated as a Nonparticipating Financial Institution solely due to the expiration of the transitional rule for limited FFIs and limited branches under relevant U.S. Treasury Regulations, such Trinidad and Tobago Financial Institution shall continue to be in compliance with the terms of this Agreement and shall continue to be treated as a deemed-compliant FFI or exempt beneficial owner, as appropriate, for purposes of section 1471 of the U.S. Internal Revenue Code, provided that:

- (a) the Trinidad and Tobago Financial Institution treats each such Related Entity or branch as a separate Nonparticipating Financial Institution for purposes of all the reporting and withholding requirements of this Agreement and each such Related Entity or branch identifies itself to withholding agents as a Nonparticipating Financial Institution;
- (b) each such Related Entity or branch identifies its U.S. accounts and reports the information with respect to those accounts as required under section 1471 of the U.S. Internal Revenue Code to the extent permitted under the relevant laws pertaining to the Related Entity or branch; and
- (c) such Related Entity or branch does not specifically solicit U.S. accounts held by persons that are not resident in the jurisdiction where such Related Entity or branch is located or accounts held by Nonparticipating Financial Institutions that are not established in the jurisdiction where such Related Entity or branch is located, and such Related Entity or branch is not used by the Trinidad and Tobago Financial Institution or any other Related Entity to circumvent the obligations under this Agreement or under section 1471 of the U.S. Internal Revenue Code, as appropriate.

6. **Coordination of Timing.** Notwithstanding paragraphs 3 and 5 of Article 3 of this Agreement:

- (a) Trinidad and Tobago shall not be obligated to obtain and exchange information with respect to a calendar year that is prior to the calendar year with respect to which similar information is required to be reported to the IRS by participating FFIs pursuant to relevant U.S. Treasury Regulations;
- (b) Trinidad and Tobago shall not be obligated to begin exchanging information prior to the date by which participating FFIs are required to report similar information to the IRS under relevant U.S. Treasury Regulations;
- (c) the United States shall not be obligated to obtain and exchange information with respect to a calendar year that is prior to the first calendar year with respect to which Trinidad and Tobago is required to obtain and exchange information; and
- (d) the United States shall not be obligated to begin exchanging information prior to the date by which Trinidad and Tobago is required to begin exchanging information.

7. **Coordination of Definitions with U.S. Treasury Regulations.** Notwithstanding Article 1 of this Agreement and the definitions provided in the Annexes to this Agreement, in implementing this Agreement, Trinidad and Tobago may use, and may permit Trinidad and Tobago Financial Institutions to use, a definition in relevant U.S. Treasury Regulations in lieu of a corresponding definition in this Agreement, provided that such application would not frustrate the purposes of this Agreement.

ARTICLE 5

COLLABORATION ON COMPLIANCE AND ENFORCEMENT

1. **Minor and Administrative Errors.** A Competent Authority shall notify the Competent Authority of the other Party when the first-mentioned Competent Authority has reason to believe that administrative errors or other minor errors may have led to incorrect or incomplete information reporting or resulted in other infringements of this Agreement. The Competent Authority of such other Party shall apply its domestic law (including applicable penalties) to obtain corrected and/or complete information or to resolve other infringements of this Agreement.

2. **Significant Non-Compliance.**

- (a) A Competent Authority shall notify the Competent Authority of the other Party when the first-mentioned Competent Authority has determined that there is significant non-compliance with the obligations under this Agreement with respect to a Reporting Financial Institution in the other jurisdiction. The Competent Authority of such other Party shall apply its domestic law (including applicable penalties) to address the significant non-compliance described in the notice.
- (b) If, in the case of a Reporting Trinidad and Tobago Financial Institution, such enforcement actions do not resolve the non-compliance within a period of 18 months after notification of significant non-compliance is first provided, the United States shall treat the Reporting Trinidad and Tobago Financial Institution as a Nonparticipating Financial Institution pursuant to this subparagraph 2(b).

3. **Reliance on Third Party Service Providers.**

Each Party may allow Reporting Financial Institutions to use third party service providers to fulfill the obligations imposed on such Reporting Financial Institutions by a Party, as contemplated in this Agreement, but these obligations shall remain the responsibility of the Reporting Financial Institutions.

4. **Prevention of Avoidance.** The Parties shall implement as necessary requirements to prevent Financial Institutions from adopting practices intended to circumvent the reporting required under this Agreement.

ARTICLE 6

MUTUAL COMMITMENT TO CONTINUE TO ENHANCE THE EFFECTIVENESS OF INFORMATION EXCHANGE AND TRANSPARENCY

1. **Reciprocity.** The Government of the United States acknowledges the need to achieve equivalent levels of reciprocal automatic information exchange with Trinidad and Tobago. The Government of the United States is committed to further improve transparency and enhance the exchange relationship with Trinidad and Tobago by pursuing the adoption of regulations and advocating and supporting relevant legislation to achieve such equivalent levels of reciprocal automatic information exchange.

2. **Treatment of Passthru Payments and Gross Proceeds.** The Parties are committed to work together, along with Partner Jurisdictions, to develop a practical and effective

alternative approach to achieve the policy objectives of foreign passthru payment and gross proceeds withholding that minimizes burden.

3. Documentation of Accounts Maintained as of the Determination Date. With respect to Reportable Accounts maintained by a Reporting Financial Institution as of the Determination Date:

- (a) The United States commits to establish, by 1st January, 2017, for reporting with respect to 2017 and subsequent years, rules requiring Reporting U.S. Financial Institutions to obtain and report the Trinidad and Tobago TIN of each Account Holder of a Trinidad and Tobago Reportable Account as required pursuant to subparagraph 2(b)(1) of Article 2 of this Agreement; and
- (b) Trinidad and Tobago commits to establish, by January 1, 2017, for reporting with respect to 2017 and subsequent years, rules requiring Reporting Trinidad and Tobago Financial Institutions to obtain the U.S. TIN of each Specified U.S. Person as required pursuant to subparagraph 2(a)(1) of Article 2 of this Agreement.

ARTICLE 7

CONSISTENCY IN THE APPLICATION OF FATCA TO PARTNER JURISDICTIONS

1. Trinidad and Tobago shall be granted the benefit of any more favorable terms under Article 4 or Annex I of this Agreement relating to the application of FATCA to Trinidad and Tobago Financial Institutions afforded to another Partner Jurisdiction under a signed bilateral agreement pursuant to which the other Partner Jurisdiction commits to undertake the same obligations as Trinidad and Tobago described in Articles 2 and 3 of this Agreement, and subject to the same terms and conditions as described therein and in Articles 5 through 9 of this Agreement.

2. The United States shall notify Trinidad and Tobago of any such more favorable terms, and such more favorable terms shall apply automatically under this Agreement as if such terms were specified in this Agreement and effective as of the date of signing of the agreement incorporating the more favorable terms, unless Trinidad and Tobago declines in writing the application thereof.

ARTICLE 8

CONSULTATIONS AND AMENDMENTS

1. In case any difficulties in the implementation of this Agreement arise, either Party may request consultations to develop appropriate measures to ensure the fulfillment of this Agreement.

2. This Agreement may be amended by written mutual agreement of the Parties. Unless otherwise agreed upon, such an amendment shall enter into force through the same procedures as set forth in paragraph 1 of Article 10 of this Agreement.

ARTICLE 9

ANNEX I

DUE DILIGENCE OBLIGATIONS FOR IDENTIFYING AND REPORTING ON
U.S. REPORTABLE ACCOUNTS AND ON PAYMENTS TO CERTAIN
NONPARTICIPATING FINANCIAL INSTITUTIONS**I. General.**

A. Trinidad and Tobago shall require that Reporting Trinidad and Tobago Financial Institutions apply the due diligence procedures contained in this Annex I to identify U.S. Reportable Accounts and accounts held by Nonparticipating Financial Institutions.

B. For purposes of the Agreement,

1. All dollar amounts are in U.S. dollars and shall be read to include the equivalent in other currencies.
2. Except as otherwise provided herein, the balance or value of an account shall be determined as of the last day of the calendar year or other appropriate reporting period.
3. Where a balance or value threshold is to be determined as of the Determination Date under this Annex I, the relevant balance or value shall be determined as of that day or the last day of the reporting period ending immediately before the Determination Date, and where a balance or value threshold is to be determined as of the last day of a calendar year under this Annex I, the relevant balance or value shall be determined as of the last day of the calendar year or other appropriate reporting period.
4. Subject to subparagraph E(1) of section II of this Annex I, an account shall be treated as a U.S. Reportable Account beginning as of the date it is identified as such pursuant to the due diligence procedures in this Annex I.
5. Unless otherwise provided, information with respect to a U.S. Reportable Account shall be reported annually in the calendar year following the year to which the information relates.

C. As an alternative to the procedures described in each section of this Annex I, Trinidad and Tobago may permit Reporting Trinidad and Tobago Financial Institutions to rely on the procedures described in relevant U.S. Treasury Regulations to establish whether an account is a U.S. Reportable Account or an account held by a Nonparticipating Financial Institution. Trinidad

and Tobago may permit Reporting Trinidad and Tobago Financial Institutions to make such election separately for each section of this Annex I either with respect to all relevant Financial Accounts or, separately, with respect to any clearly identified group of such accounts (such as by line of business or the location of where the account is maintained).

II. Pre-existing Individual Accounts. The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts among Preexisting Accounts held by individuals (“Preexisting Individual Accounts”).

A. Accounts Not Required to Be Reviewed, Identified, or Reported. Unless the Reporting Trinidad and Tobago Financial Institution elects otherwise, either with respect to all Pre-existing Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Trinidad and Tobago provide for such an election, the following Pre-existing Individual Accounts are not required to be reviewed, identified, or reported as U.S. Reportable Accounts:

1. Subject to subparagraph E(2) of this section, a Pre-existing Individual Account with a balance or value that does not exceed \$50,000 as of the Determination Date.
2. Subject to subparagraph E(2) of this section, a Pre-existing Individual Account that is a Cash Value Insurance Contract or an Annuity Contract with a balance or value of \$250,000 or less as of the Determination Date.
3. A Pre-existing Individual Account that is a Cash Value Insurance Contract or an Annuity Contract, provided the law or regulations of Trinidad and Tobago or the United States effectively prevent the sale of such a Cash Value Insurance Contract or an Annuity Contract to U.S. residents (e.g., if the relevant Financial Institution does not have the required registration under U.S. law, and the law of Trinidad and Tobago requires reporting or withholding with respect to insurance products held by residents of Trinidad and Tobago).
4. A Depository Account with a balance of \$50,000 or less.

B. Review Procedures for Pre-existing Individual Accounts With a Balance or Value as of the Determination Date, that Exceeds \$50,000 (\$250,000 for a Cash Value Insurance Contract or Annuity Contract), But Does Not Exceed \$1,000,000 (“Lower Value Accounts”).

1. **Electronic Record Search.** The Reporting Trinidad and Tobago Financial Institution must review electronically searchable data maintained by the Reporting Trinidad and Tobago Financial Institution for any of the following U.S. indicia:
 - (a) Identification of the Account Holder as a U.S. citizen or resident;
 - (b) Unambiguous indication of a U.S. place of birth;
 - (c) Current U.S. mailing or residence address (including a U.S. post office box);
 - (d) Current U.S. telephone number;
 - (e) Standing instructions to transfer funds to an account maintained in the United States;
 - (f) Currently effective power of attorney or signatory authority granted to a person with a U.S. address; or
 - (g) An “in-care-of” or “hold mail” address that is the sole address the Reporting Trinidad and Tobago Financial Institution has on file for the Account Holder. In the case of a Pre-existing Individual Account that is a Lower Value Account, an “in-care-of” address outside the United States or “hold mail” address shall not be treated as U.S. indicia.
2. If none of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the electronic search, then no further action is required until there is a change in circumstances that results in one or more U.S. indicia being associated with the account, or the account becomes a High Value Account described in paragraph D of this section.
3. If any of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the electronic search, or if there is a change in circumstances that results in one or more U.S. indicia being associated with the account, then the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.

4. Notwithstanding a finding of U.S. indicia under subparagraph B(1) of this section, a Reporting Trinidad and Tobago Financial Institution is not required to treat an account as a U.S. Reportable Account if:
 - (a) Where the Account Holder information unambiguously indicates a U.S. place of birth, the Reporting Trinidad and Tobago Financial Institution obtains, or has previously reviewed and maintains a record of:
 - (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form);
 - (2) A non-U.S. passport or other government-issued identification evidencing the Account Holder's citizenship or nationality in a country other than the United States; and
 - (3) A copy of the Account Holder's Certificate of Loss of Nationality of the United States or a reasonable explanation of:
 - (a) The reason the Account Holder does not have such a certificate despite relinquishing U.S. citizenship; or
 - (b) The reason the Account Holder did not obtain U.S. citizenship at birth.
 - (b) Where the Account Holder information contains a current U.S. mailing or residence address, or one or more U.S. telephone numbers that are the only telephone numbers associated with the account, the Reporting Trinidad and Tobago Financial Institution obtains, or has previously reviewed and maintains a record of:
 - (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); and

- (2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.
- (c) Where the Account Holder information contains standing instructions to transfer funds to an account maintained in the United States, the Reporting Trinidad and Tobago Financial Institution obtains, or has previously reviewed and maintains a record of:
- (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); and
 - (2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.
- (d) Where the Account Holder information contains a currently effective power of attorney or signatory authority granted to a person with a U.S. address, has an "in-care-of" address or "hold mail" address that is the sole address identified for the Account Holder, or has one or more U.S. telephone numbers (if a non-U.S. telephone number is also associated with the account), the Reporting Trinidad and Tobago Financial Institution obtains, or has previously reviewed and maintains a record of:
- (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); or
 - (2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.

C. Additional Procedures Applicable to Pre-existing Individual Accounts That Are Lower Value Accounts.

1. Review of Pre-existing Individual Accounts that are Lower Value Accounts for U.S. indicia must be completed within two years from the Determination Date.

2. If there is a change of circumstances with respect to a Pre-existing Individual Account that is a Lower Value Account that results in one or more U.S. indicia described in subparagraph B(1) of this section being associated with the account, then the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account unless subparagraph B(4) of this section applies.
3. Except for Depository Accounts described in subparagraph A(4) of this section, any Pre-existing Individual Account that has been identified as a U.S. Reportable Account under this section shall be treated as a U.S. Reportable Account in all subsequent years, unless the Account Holder ceases to be a Specified U.S. Person.

D. Enhanced Review Procedures for Pre-existing Individual Accounts With a Balance or Value That Exceeds \$1,000,000 as of the Determination Date or December 31 of 2015 or Any Subsequent Year (“High Value Accounts”).

1. **Electronic Record Search.** The Reporting Trinidad and Tobago Financial Institution must review electronically searchable data maintained by the Reporting Trinidad and Tobago Financial Institution for any of the U.S. indicia described in subparagraph B(1) of this section.
2. **Paper Record Search.** If the Reporting Trinidad and Tobago Financial Institution’s electronically searchable databases include fields for, and capture all of the information described in, subparagraph D(3) of this section, then no further paper record search is required. If the electronic databases do not capture all of this information, then with respect to a High Value Account, the Reporting Trinidad and Tobago Financial Institution must also review the current customer master file and, to the extent not contained in the current customer master file, the following documents associated with the account and obtained by the Reporting Trinidad and Tobago Financial Institution within the last five years for any of the U.S. indicia described in sub-paragraph B(1) of this section:
 - (a) The most recent documentary evidence collected with respect to the account;
 - (b) The most recent account opening contract or documentation;

- (c) The most recent documentation obtained by the Reporting Trinidad and Tobago Financial Institution pursuant to AML/KYC Procedures or for other regulatory purposes;
- (d) Any power of attorney or signature authority forms currently in effect; and
- (e) Any standing instructions to transfer funds currently in effect.

3. Exception Where Databases Contain Sufficient

Information. A Reporting Trinidad and Tobago Financial Institution is not required to perform the paper record search described in subparagraph D(2) of this section if the Reporting Trinidad and Tobago Financial Institution's electronically searchable information includes the following:

- (a) The Account Holder's nationality or residence status;
- (b) The Account Holder's residence address and mailing address currently on file with the Reporting Trinidad and Tobago Financial Institution;
- (c) The Account Holder's telephone number(s) currently on file, if any, with the Reporting Trinidad and Tobago Financial Institution;
- (d) Whether there are standing instructions to transfer funds in the account to another account (including an account at another branch of the Reporting Trinidad and Tobago Financial Institution or another Financial Institution);
- (e) Whether there is a current "in-care-of" address or "hold mail" address for the Account Holder; and
- (f) Whether there is any power of attorney or signatory authority for the account.

4. Relationship Manager Inquiry for Actual

Knowledge. In addition to the electronic and paper record searches described above, the Reporting Trinidad and Tobago Financial Institution must treat as a U.S. Reportable Account any High Value Account assigned to a relationship manager (including any Financial Accounts aggregated with such High Value

Account) if the relationship manager has actual knowledge that the Account Holder is a Specified U.S. Person.

5. Effect of Finding U.S. Indicia.

- (a) If none of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the enhanced review of High Value Accounts described above, and the account is not identified as held by a Specified U.S. Person in subparagraph D(4) of this section, then no further action is required until there is a change in circumstances that results in one or more U.S. indicia being associated with the account.
- (b) If any of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the enhanced review of High Value Accounts described above, or if there is a subsequent change in circumstances that results in one or more U.S. indicia being associated with the account, then the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.
- (c) Except for Depository Accounts described in subparagraph A(4) of this section, any Preexisting Individual Account that has been identified as a U.S. Reportable Account under this section shall be treated as a U.S. Reportable Account in all subsequent years, unless the Account Holder ceases to be a Specified U.S. Person.

E. Additional Procedures Applicable to High Value Accounts.

- 1. If a Preexisting Individual Account is a High Value Account as of the Determination Date, the Reporting Trinidad and Tobago Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account within one year from the Determination Date. If based on this review such account is identified as a U.S. Reportable Account on or before 31st December,

2014, the Reporting Trinidad and Tobago Financial Institution must report the required information about such account with respect to 2014 in the first report on the account and on an annual basis thereafter. In the case of an account identified as a U.S. Reportable Account after 31st December, 2014, the Reporting Trinidad and Tobago Financial Institution is not required to report information about such account with respect to 2014, but must report information about the account on an annual basis thereafter.

2. If a Pre-existing Individual Account is not a High Value Account as of the Determination Date, but becomes a High Value Account as of the last day of 2015 or any subsequent calendar year, the Reporting Trinidad and Tobago Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account within six months after the last day of the calendar year in which the account becomes a High Value Account. If based on this review such account is identified as a U.S. Reportable Account, the Reporting Trinidad and Tobago Financial Institution must report the required information about such account with respect to the year in which it is identified as a U.S. Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Specified U.S. Person.
3. Once a Reporting Trinidad and Tobago Financial Institution applies the enhanced review procedures described in paragraph D of this section to a High Value Account, the Reporting Trinidad and Tobago Financial Institution is not required to reapply such procedures, other than the relationship manager inquiry described in subparagraph D(4) of this section, to the same High Value Account in any subsequent year.
4. If there is a change of circumstances with respect to a High Value Account that results in one or more U.S. indicia described in subparagraph B(1) of this section being associated with the account, then the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.

5. A Reporting Trinidad and Tobago Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the Account Holder has a new mailing address in the United States, the Reporting Trinidad and Tobago Financial Institution is required to treat the new address as a change in circumstances and, if it elects to apply subparagraph B(4) of this section, is required to obtain the appropriate documentation from the Account Holder.

F. Pre-existing Individual Accounts That Have Been Documented for Certain Other Purposes. A Reporting Trinidad and Tobago Financial Institution that has previously obtained documentation from an Account Holder to establish the Account Holder's status as neither a U.S. citizen nor a U.S. resident in order to meet its obligations under a qualified intermediary, withholding foreign partnership, or withholding foreign trust agreement with the IRS, or to fulfill its obligations under chapter 61 of Title 26 of the United States Code, is not required to perform the procedures described in subparagraph B(1) of this section with respect to Lower Value Accounts or subparagraphs D(1) through D(3) of this section with respect to High Value Accounts.

III. New Individual Accounts. The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts among Financial Accounts held by individuals and opened after the Determination Date ("New Individual Accounts").

A. Accounts Not Required to Be Reviewed, Identified, or Reported. Unless the Reporting Trinidad and Tobago Financial Institution elects otherwise, either with respect to all New Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Trinidad and Tobago provide for such an election, the following New Individual Accounts are not required to be reviewed, identified, or reported as U.S. Reportable Accounts:

1. A Depository Account unless the account balance exceeds \$50,000 at the end of any calendar year or other appropriate reporting period.
2. A Cash Value Insurance Contract unless the Cash Value exceeds \$50,000 at the end of any calendar year or other appropriate reporting period.

B. Other New Individual Accounts. With respect to New Individual Accounts not described in paragraph A of this section, upon account opening (or within 90 days after the end of the calendar year in which the account ceases to be described in paragraph A of this section), the Reporting Trinidad and Tobago Financial Institution must obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Trinidad and Tobago Financial Institution to determine whether the Account Holder is resident in the United States for tax purposes (for this purpose, a U.S. citizen is considered to be resident in the United States for tax purposes, even if the Account Holder is also a tax resident of another jurisdiction) and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Trinidad and Tobago Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.

1. If the self-certification establishes that the Account Holder is resident in the United States for tax purposes, the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account and obtain a self-certification that includes the Account Holder's U.S. TIN (which may be an IRS Form W-9 or other similar agreed form).
2. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Trinidad and Tobago Financial Institution to know, or have reason to know, that the original self-certification is incorrect or unreliable, the Reporting Trinidad and Tobago Financial Institution cannot rely on the original self-certification and must obtain a valid self-certification that establishes whether the Account Holder is a U.S. citizen or resident for U.S. tax purposes. If the Reporting Trinidad and Tobago Financial Institution is unable to obtain a valid self-certification, the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account.

IV. Pre-existing Entity Accounts. The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts and accounts held by Nonparticipating Financial Institutions among Pre-existing Accounts held by Entities ("Pre-existing Entity Accounts").

A. Entity Accounts Not Required to Be Reviewed, Identified or Reported. Unless the Reporting Trinidad and Tobago Financial Institution elects otherwise, either with respect to all Pre-existing Entity Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Trinidad and Tobago provide for such an election, a Pre-existing Entity Account with an account balance or value that does not exceed \$250,000 as of the Determination Date, is not required to be reviewed, identified, or reported as a U.S. Reportable Account until the account balance or value exceeds \$1,000,000.

B. Entity Accounts Subject to Review. A Pre-existing Entity Account that has an account balance or value that exceeds \$250,000 as of the Determination Date, and a Pre-existing Entity Account that does not exceed \$250,000 as of the Determination Date but the account balance or value of which exceeds \$1,000,000 as of the last day of 2015 or any subsequent calendar year, must be reviewed in accordance with the procedures set forth in paragraph D of this section.

C. Entity Accounts With Respect to Which Reporting Is Required. With respect to Pre-existing Entity Accounts described in paragraph B of this section, only accounts that are held by one or more Entities that are Specified U.S. Persons, or by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents, shall be treated as U.S. Reportable Accounts. In addition, accounts held by Nonparticipating Financial Institutions shall be treated as accounts for which aggregate payments as described in subparagraph 1(b) of Article 4 of the Agreement are reported to the Trinidad and Tobago Competent Authority.

D. Review Procedures for Identifying Entity Accounts With Respect to Which Reporting Is Required. For Pre-existing Entity Accounts described in paragraph B of this section, the Reporting Trinidad and Tobago Financial Institution must apply the following review procedures to determine whether the account is held by one or more Specified U.S. Persons, by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents, or by Nonparticipating Financial Institutions:

1. Determine Whether the Entity Is a Specified U.S. Person.

- (a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the

information indicates that the Account Holder is a U.S. Person. For this purpose, information indicating that the Account Holder is a U.S. Person includes a U.S. place of incorporation or organization, or a U.S. address.

- (b) If the information indicates that the Account Holder is a U.S. Person, the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account unless it obtains a self-certification from the Account Holder (which may be on an IRS Form W-8 or W-9, or a similar agreed form), or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Specified U.S. Person.

2. Determine Whether a Non-U.S. Entity Is a Financial Institution.

- (a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Account Holder is a Financial Institution.
- (b) If the information indicates that the Account Holder is a Financial Institution, or the Reporting Trinidad and Tobago Financial Institution verifies the Account Holder's Global Intermediary Identification Number on the published IRS FFI list, then the account is not a U.S. Reportable Account.

3. Determine Whether a Financial Institution Is a Nonparticipating Financial Institution Payments to Which Are Subject to Aggregate Reporting Under Subparagraph 1(b) of Article 4 of the Agreement.

- (a) Subject to subparagraph D(3)(b) of this section, a Reporting Trinidad and Tobago Financial Institution may determine that the Account Holder is a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution if the Reporting Trinidad and Tobago Financial Institution reasonably determines that the Account Holder has such

status on the basis of the Account Holder's Global Intermediary Identification Number on the published IRS FFI list or other information that is publicly available or in the possession of the Reporting Trinidad and Tobago Financial Institution, as applicable. In such case, no further review, identification, or reporting is required with respect to the account.

- (b) If the Account Holder is a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution, then the account is not a U.S. Reportable Account, but payments to the Account Holder must be reported as contemplated in subparagraph 1(b) of Article 4 of the Agreement.
- (c) If the Account Holder is not a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution, then the Reporting Trinidad and Tobago Financial Institution must treat the Account Holder as a Nonparticipating Financial Institution payments to which are reportable under subparagraph 1(b) of Article 4 of the Agreement, unless the Reporting Trinidad and Tobago Financial Institution:
 - (1) Obtains a self-certification (which may be on an IRS Form W-8 or similar agreed form) from the Account Holder that it is a certified deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; or
 - (2) In the case of a participating FFI or registered deemed-compliant FFI, verifies the Account Holder's Global Intermediary Identification Number on the published IRS FFI list.

4. **Determine whether an Account held by an NFFE is a U.S. Reportable Account.** With respect to an Account Holder of a Pre-existing Entity Account that is not identified as either a U.S. Person or a Financial Institution, the Reporting Trinidad and Tobago Financial Institution must identify (i) whether the

Account Holder has Controlling Persons; (ii) whether the Account Holder is a Passive NFFE; and (iii) whether any of the Controlling Persons of the Account Holder is a U.S. citizen or resident. In making these determinations the Reporting Trinidad and Tobago Financial Institution must follow the guidance in subparagraphs D(4)(a) through D(4)(d) of this section in the order most appropriate under the circumstances.

- (a) For purposes of determining the Controlling Persons of an Account Holder, a Reporting Trinidad and Tobago Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.
- (b) For purposes of determining whether the Account Holder is a Passive NFFE, the Reporting Trinidad and Tobago Financial Institution must obtain a self-certification (which may be on an IRS Form W-8 or W-9, or on a similar agreed form) from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFFE.
- (c) For purposes of determining whether a Controlling Person of a Passive NFFE is a U.S. citizen or resident for tax purposes, a Reporting Trinidad and Tobago Financial Institution may rely on:
 - (1) Information collected and maintained pursuant to AML/KYC Procedures in the case of a Pre-existing Entity Account held by one or more NFFEs with an account balance or value that does not exceed \$1,000,000; or
 - (2) A self-certification (which may be on an IRS Form W-8 or W-9, or on a similar agreed form) from the Account Holder or such Controlling Person in the case of a Pre-existing Entity Account held by one or more NFFEs with an account balance or value that exceeds \$1,000,000.

- (d) If any Controlling Person of a Passive NFFE is a U.S. citizen or resident, the account shall be treated as a U.S. Reportable Account.

E. Timing of Review and Additional Procedures Applicable to Pre-existing Entity Accounts.

1. Review of Pre-existing Entity Accounts with an account balance or value that exceeds \$250,000 as of the Determination Date must be completed within two years from the Determination Date.
2. Review of Pre-existing Entity Accounts with an account balance or value that does not exceed \$250,000 as of the Determination Date, but exceeds \$1,000,000 as of 31st December of 2015 or any subsequent year, must be completed within six months after the last day of the calendar year in which the account balance or value exceeds \$1,000,000.
3. If there is a change of circumstances with respect to a Pre-existing Entity Account that causes the Reporting Trinidad and Tobago Financial Institution to know, or have reason to know, that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Trinidad and Tobago Financial Institution must redetermine the status of the account in accordance with the procedures set forth in paragraph D of this section.

V. New Entity Accounts. The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts and accounts held by Nonparticipating Financial Institutions among Financial Accounts held by Entities and opened after the Determination Date (“New Entity Accounts”).

A. Entity Accounts Not Required to Be Reviewed, Identified or Reported. Unless the Reporting Trinidad and Tobago Financial Institution elects otherwise, either with respect to all New Entity Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Trinidad and Tobago provide for such election, a credit card account or a revolving credit facility treated as a New Entity Account is not required to be reviewed, identified, or reported, provided that the Reporting Trinidad and Tobago Financial Institution maintaining such account implements policies and procedures to prevent an account balance owed to the Account Holder that exceeds \$50,000.

B. Other New Entity Accounts. With respect to New Entity Accounts not described in paragraph A of this section, the Reporting Trinidad and Tobago Financial Institution must determine whether the Account Holder is: (i) a Specified U.S. Person; (ii) a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; or (iv) an Active NFFE or Passive NFFE.

1. Subject to subparagraph B(2) of this section, a Reporting Trinidad and Tobago Financial Institution may determine that the Account Holder is an Active NFFE, a Trinidad and Tobago Financial Institution, or other Partner Jurisdiction Financial Institution if the Reporting Trinidad and Tobago Financial Institution reasonably determines that the Account Holder has such status on the basis of the Account Holder's Global Intermediary Identification Number or other information that is publicly available or in the possession of the Reporting Trinidad and Tobago Financial Institution, as applicable.
2. If the Account Holder is a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution, then the account is not a U.S. Reportable Account, but payments to the Account Holder must be reported as contemplated in subparagraph 1(b) of Article 4 of the Agreement.
3. In all other cases, a Reporting Trinidad and Tobago Financial Institution must obtain a self-certification from the Account Holder to establish the Account Holder's status. Based on the self-certification, the following rules apply:
 - (a) If the Account Holder is a Specified U.S. Person, the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account.
 - (b) If the Account Holder is a Passive NFFE, the Reporting Trinidad and Tobago Financial Institution must identify the Controlling Persons as determined under AML/KYC Procedures, and must determine whether any

such person is a U.S. citizen or resident on the basis of a self-certification from the Account Holder or such person. If any such person is a U.S. citizen or resident, the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account.

- (c) If the Account Holder is: (i) a U.S. Person that is not a Specified U.S. Person; (ii) subject to subparagraph B(3)(d) of this section, a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; (iv) an Active NFFE; or (v) a Passive NFFE none of the Controlling Persons of which is a U.S. citizen or resident, then the account is not a U.S. Reportable Account, and no reporting is required with respect to the account.
- (d) If the Account Holder is a Nonparticipating Financial Institution (including a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution), then the account is not a U.S. Reportable Account, but payments to the Account Holder must be reported as contemplated in subparagraph 1(b) of Article 4 of the Agreement.

VI. Special Rules and Definitions. The following additional rules and definitions apply in implementing the due diligence procedures described above:

A. Reliance on Self-Certifications and Documentary Evidence. A Reporting Trinidad and Tobago Financial Institution may not rely on a self-certification or documentary evidence if the Reporting Trinidad and Tobago Financial Institution knows or has reason to know that the self-certification or documentary evidence is incorrect or unreliable.

B. Definitions. The following definitions apply for purposes of this Annex I.

1. **AML/KYC Procedures.** “AML/KYC Procedures” means the customer due diligence procedures of a Reporting Trinidad and Tobago Financial Institution

- (e) Substantially all of the activities of the NFFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an entity shall not qualify for NFFE status if the entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- (f) The NFFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFFE shall not qualify for this exception after the date that is 24 months after the date of the initial organization of the NFFE;

 - (v). The applicable laws of the NFFE's jurisdiction of residence or the NFFE's formation documents require that, upon the NFFE's liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organization, or escheat to the government of the NFFE's jurisdiction of residence or any political subdivision thereof.
5. **Pre-existing Account.** A "Pre-existing Account" means a Financial Account maintained by a Reporting Financial Institution as of the Determination Date.
6. **Determination Date.** The "Determination Date" means the date, which may be prior to entry into force of this Agreement, on which the Treasury Department

C. Account Balance Aggregation and Currency Translation Rules.

- 1. Aggregation of Individual Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an individual, a Reporting Trinidad and Tobago Financial Institution is required to aggregate all Financial Accounts maintained by the Reporting Trinidad and Tobago Financial Institution, or by a Related Entity, but only to the extent that the Reporting Trinidad and Tobago Financial Institution's computerized systems link the Financial Accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this paragraph 1.
- 2. Aggregation of Entity Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an Entity, a Reporting Trinidad and Tobago Financial Institution is required to take into account all Financial Accounts that are maintained by the Reporting Trinidad and Tobago

Financial Institution, or by a Related Entity, but only to the extent that the Reporting Trinidad and Tobago Financial Institution's computerized systems link the Financial Accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances or values to be aggregated.

3. **Special Aggregation Rule Applicable to Relationship Managers.** For purposes of determining the aggregate balance or value of Financial Accounts held by a person to determine whether a Financial Account is a High Value Account, a Reporting Trinidad and Tobago Financial Institution is also required, in the case of any Financial Accounts that a relationship manager knows, or has reason to know, are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts.
4. **Currency Translation Rule.** For purposes of determining the balance or value of Financial Accounts denominated in a currency other than the U.S. dollar, a Reporting Trinidad and Tobago Financial Institution must convert the U.S. dollar threshold amounts described in this Annex I into such currency using a published spot rate determined as of the last day of the calendar year preceding the year in which the Reporting Trinidad and Tobago Financial Institution is determining the balance or value.

A Reporting Trinidad and Tobago Financial Institution has reason to know that a beneficiary of a Cash Value Insurance Contract is a Specified U.S. Person if the information collected by the Reporting Trinidad and Tobago Financial Institution and associated with the beneficiary contains U.S. indicia as described in subparagraph (B)(1) of section II of this Annex I. If a Reporting Trinidad and Tobago Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Specified U.S. Person, the Reporting Trinidad and Tobago Financial Institution must follow the procedures in subparagraph B(3) of section II of this Annex I.

F. Reliance on Third Parties. G. Alternative Procedures for New Accounts Opened Prior to Entry Into Force of this Agreement.

1. **Applicability.** If Trinidad and Tobago has provided a written notice to the United States prior to entry into force of this Agreement that, as of the Determination Date, Trinidad and Tobago lacked the legal authority to require Reporting Trinidad and Tobago Financial Institutions either: (i) to require Account Holders of New Individual Accounts to provide the self-certification specified in section III of this Annex I; or (ii) to perform all the due diligence procedures related to New Entity Accounts specified in section V of this Annex I, then Reporting Trinidad and Tobago Financial Institutions may apply the alternative procedures described in subparagraph G(2) of this section, as applicable, to such New Accounts, in lieu of the procedures otherwise required under this Annex I. The alternative procedures described in subparagraph G(2) of this section shall be available only for those New Individual Accounts or New Entity Accounts, as applicable, opened prior to the earlier of: (i) the date Trinidad and Tobago has the ability to compel Reporting Trinidad and Tobago Financial Institutions to comply with the due diligence procedures described in section III or section V of this Annex I, as applicable, which date Trinidad and Tobago shall inform the United States of in writing by the date of entry into force of this Agreement; or (ii) the date of entry into force of this Agreement. If the alternative procedures for New Entity Accounts opened after the Determination Date, and before 1st January, 2015, described in paragraph H of this section are applied with respect to all New Entity Accounts or a clearly identified group of such accounts, the alternative procedures described in this paragraph G may not be applied with respect to such New Entity Accounts. For all other New Accounts, Reporting Trinidad and Tobago Financial Institutions must apply the due diligence procedures described in section III or section V of this Annex I, as applicable, to determine if the account is a U.S. Reportable Account or an account held by a Nonparticipating Financial Institution.

2. Alternative Procedures.

- (a) Within one year after the date of entry into force of this Agreement, Reporting Trinidad and Tobago Financial Institutions must: (i) with respect to a New Individual Account described in subparagraph G(1) of this section, request the self-certification specified in section III of this Annex I and confirm the reasonableness of such self-certification consistent with the procedures described in section III of this Annex I; and (ii) with respect to a New Entity Account described in subparagraph G(1) of this section, perform the due diligence procedures specified in section V of this Annex I and request information as necessary to document the account, including any self-certification, required by section V of this Annex I.

The information required to be reported with respect to such a New Account is any information that would have been reportable under this Agreement if the New Account had been identified as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable, as of the date the account was opened.
- (c) By the date that is one year after the date of entry into force of this Agreement, Reporting Trinidad and Tobago Financial Institutions must close any New Account described in subparagraph G(1) of this section for which

it was unable to collect the required self-certification or other documentation pursuant to the procedures described in subparagraph G(2)(a) of this section. In addition, by the date that is one year after the date of entry into force of this Agreement, Reporting Trinidad and Tobago Financial Institutions must: (i) with respect to such closed accounts that prior to such closure were New Individual Accounts (without regard to whether such accounts were High Value Accounts), perform the due diligence procedures specified in paragraph D of section II of this Annex I; or (ii) with respect to such closed accounts that prior to such closure were New Entity Accounts, perform the due diligence procedures specified in section IV of this Annex I.

- (d) Trinidad and Tobago must report on any closed account that is identified pursuant to subparagraph G(2)(c) of this section as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable, by the date that is the later of: (i) 30th September next following the date that the account is identified as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable; or (ii) 90 days after the account is identified as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable. The information required to be reported for such a closed account is any information that would have been reportable under this Agreement if the account had been identified as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable, as of the date the account was opened.

H. Alternative Procedures for New Entity Accounts Opened after the Determination Date, and before 1st January, 2015. For New Entity Accounts opened after the Determination Date, and before 1st January, 2015, either with respect to all New Entity Accounts or, separately, with respect to any clearly identified group of such accounts, Trinidad and Tobago may permit Reporting Trinidad and Tobago Financial Institutions

to treat such accounts as Pre-existing Entity Accounts and apply the due diligence procedures related to Pre-existing Entity Accounts specified in section IV of this Annex I in lieu of the due diligence procedures specified in section V of this Annex I. In this case, the due diligence procedures of section IV of this Annex I must be applied without regard to the account balance or value threshold specified in paragraph A of section IV of this Annex I.

 - (b) The account is established and used solely to secure the obligation of the purchaser to pay the purchase price for the property, the seller to pay any contingent liability, or the lessor or lessee to pay for any damages relating to the leased property as agreed under the lease;
 - (c) The assets of the account, including the income earned thereon, will be paid or otherwise distributed for the benefit of the purchaser, seller, lessor, or lessee (including to satisfy such person's obligation) when the property is sold, exchanged, or surrendered, or the lease terminates;

- (d) The account is not a margin or similar account established in connection with a sale or exchange of a financial asset; and
 - (e) The account is not associated with a credit card account.
3. An obligation of a Financial Institution servicing a loan secured by real property to set aside a portion of a payment solely to facilitate the payment of taxes or insurance related to the real property at a later time.
 4. An obligation of a Financial Institution solely to facilitate the payment of taxes at a later time.

E. Partner Jurisdiction Accounts. An account maintained in Trinidad and Tobago and excluded from the definition of Financial Account under an agreement between the United States and another Partner Jurisdiction to facilitate the implementation of FATCA, provided that such account is subject to the same requirements and oversight under the laws of such other Partner Jurisdiction as if such account were established in that Partner Jurisdiction and maintained by a Partner Jurisdiction Financial Institution in that Partner Jurisdiction.

XII. Definitions. The following additional definitions shall apply to the descriptions above:

A. Reporting Model 1 FFI. The term Reporting Model 1 FFI means a Financial Institution with respect to which a non-U.S. government or agency thereof agrees to obtain and exchange information pursuant to a Model 1 IGA, other than a Financial Institution treated as a Nonparticipating Financial Institution under the Model 1 IGA. For purposes of this definition, the term Model 1 IGA means an arrangement between the United States or the Treasury Department and a non-U.S. government or one or more agencies thereof to implement FATCA through reporting by Financial Institutions to such non-U.S. government or agency thereof, followed by automatic exchange of such reported information with the IRS.

B. Participating FFI. The term Participating FFI means a Financial Institution that has agreed to comply with the requirements of an FFI Agreement, including a Financial Institution described in a Model 2 IGA that has agreed to comply with the requirements of an FFI Agreement. The term Participating FFI also includes a qualified intermediary branch of a Reporting U.S. Financial Institution, unless such branch is a Reporting Model 1 FFI. For purposes of this definition, the term

FFI Agreement means an agreement that sets forth the requirements for a Financial Institution to be treated as complying with the requirements of section 1471(b) of the U.S. Internal Revenue Code. In addition, for purposes of this definition, the term Model 2 IGA means an arrangement between the United States or the Treasury Department and a non-U.S. government or one or more agencies thereof to facilitate the implementation of FATCA through reporting by Financial Institutions directly to the IRS in accordance with the requirements of an FFI Agreement, supplemented by the exchange of information between such non-U.S. government or agency thereof and the IRS.

SCHEDULE 4

(Section 12)

DUE DILIGENCE OBLIGATIONS FOR IDENTIFYING AND REPORTING ON U.S. REPORTABLE ACCOUNTS AND ON PAYMENTS TO CERTAIN NONPARTICIPATING FINANCIAL INSTITUTIONS

VI. General.

A. Trinidad and Tobago shall require that Reporting Trinidad and Tobago Financial Institutions apply the due diligence procedures contained in this Annex I to identify U.S. Reportable Accounts and accounts held by Nonparticipating Financial Institutions.

B. For purposes of the Agreement,

1. All dollar amounts are in U.S. dollars and shall be read to include the equivalent in other currencies.
2. Except as otherwise provided herein, the balance or value of an account shall be determined as of the last day of the calendar year or other appropriate reporting period.
3. Where a balance or value threshold is to be determined as of the Determination Date under this Annex I, the relevant balance or value shall be determined as of that day or the last day of the reporting period ending immediately before the Determination Date, and where a balance or value threshold is to be determined as of the last day of a calendar year under this Annex I, the relevant balance or value shall be determined as of the last day of the calendar year or other appropriate reporting period.
4. Subject to subparagraph E(1) of section II of this Annex I, an account shall be treated as a U.S. Reportable Account beginning as of the date it is

identified as such pursuant to the due diligence procedures in this Annex I.

5. Unless otherwise provided, information with respect to a U.S. Reportable Account shall be reported annually in the calendar year following the year to which the information relates.

C. As an alternative to the procedures described in each section of this Annex I, Trinidad and Tobago may permit Reporting Trinidad and Tobago Financial Institutions to rely on the procedures described in relevant U.S. Treasury Regulations to establish whether an account is a U.S. Reportable Account or an account held by a Nonparticipating Financial Institution. Trinidad and Tobago may permit Reporting Trinidad and Tobago Financial Institutions to make such election separately for each section of this Annex I either with respect to all relevant Financial Accounts or, separately, with respect to any clearly identified group of such accounts (such as by line of business or the location of where the account is maintained).

VII. Pre-existing Individual Accounts. The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts among Pre-existing Accounts held by individuals (“Preexisting Individual Accounts”).

A. Accounts Not Required to Be Reviewed, Identified, or Reported. Unless the Reporting Trinidad and Tobago Financial Institution elects otherwise, either with respect to all Pre-existing Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Trinidad and Tobago provide for such an election, the following Pre-existing Individual Accounts are not required to be reviewed, identified, or reported as U.S. Reportable Accounts:

1. Subject to subparagraph E(2) of this section, a Pre-existing Individual Account with a balance or value that does not exceed \$50,000 as of the Determination Date.
2. Subject to subparagraph E(2) of this section, a Pre-existing Individual Account that is a Cash Value Insurance Contract or an Annuity Contract with a balance or value of \$250,000 or less as of the Determination Date.
3. A Pre-existing Individual Account that is a Cash Value Insurance Contract or an Annuity Contract, provided the law or regulations of Trinidad and Tobago or the United States effectively prevent the sale of such a

Cash Value Insurance Contract or an Annuity Contract to U.S. residents (e.g., if the relevant Financial Institution does not have the required registration under U.S. law, and the law of Trinidad and Tobago requires reporting or withholding with respect to insurance products held by residents of Trinidad and Tobago).

4. A Depository Account with a balance of \$50,000 or less.

B. Review Procedures for Pre-existing Individual Accounts With a Balance or Value as of the Determination Date, that Exceeds \$50,000 (\$250,000 for a Cash Value Insurance Contract or Annuity Contract), But Does Not Exceed \$1,000,000 (“Lower Value Accounts”).

1. Electronic Record Search. The Reporting Trinidad and Tobago Financial Institution must review electronically searchable data maintained by the Reporting Trinidad and Tobago Financial Institution for any of the following U.S. indicia:
 - (a) Identification of the Account Holder as a U.S. citizen or resident;
 - (b) Unambiguous indication of a U.S. place of birth;
 - (c) Current U.S. mailing or residence address (including a U.S. post office box);
 - (d) Current U.S. telephone number;
 - (e) Standing instructions to transfer funds to an account maintained in the United States;
 - (f) Currently effective power of attorney or signatory authority granted to a person with a U.S. address; or
 - (g) An “in-care-of” or “hold mail” address that is the sole address the Reporting Trinidad and Tobago Financial Institution has on file for the Account Holder. In the case of a Pre-existing Individual Account that is a Lower Value Account, an “in-care-of” address outside the United States or “hold mail” address shall not be treated as U.S. indicia.
2. If none of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the electronic search, then no further action is required until there is a change in circumstances that results in one or more

U.S. indicia being associated with the account, or the account becomes a High Value Account described in paragraph D of this section.

3. If any of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the electronic search, or if there is a change in circumstances that results in one or more U.S. indicia being associated with the account, then the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.
4. Notwithstanding a finding of U.S. indicia under subparagraph B(1) of this section, a Reporting Trinidad and Tobago Financial Institution is not required to treat an account as a U.S. Reportable Account if:
 - (a) Where the Account Holder information unambiguously indicates a U.S. place of birth, the Reporting Trinidad and Tobago Financial Institution obtains, or has previously reviewed and maintains a record of:
 - (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form);
 - (2) A non-U.S. passport or other government-issued identification evidencing the Account Holder's citizenship or nationality in a country other than the United States; and
 - (3) A copy of the Account Holder's Certificate of Loss of Nationality of the United States or a reasonable explanation of:
 - (a) The reason the Account Holder does not have such a certificate despite relinquishing U.S. citizenship; or
 - (b) The reason the Account Holder did not obtain U.S. citizenship at birth.

- (b) Where the Account Holder information contains a current U.S. mailing or residence address, or one or more U.S. telephone numbers that are the only telephone numbers associated with the account, the Reporting Trinidad and Tobago Financial Institution obtains, or has previously reviewed and maintains a record of:
- (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); and
 - (2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.
- (c) Where the Account Holder information contains standing instructions to transfer funds to an account maintained in the United States, the Reporting Trinidad and Tobago Financial Institution obtains, or has previously reviewed and maintains a record of:
- (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); and
 - (2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.
- (d) Where the Account Holder information contains a currently effective power of attorney or signatory authority granted to a person with a U.S. address, has an "in-care-of" address or "hold mail" address that is the sole address identified for the Account Holder, or has one or more U.S. telephone numbers (if a non-U.S. telephone number is also associated with the account), the Reporting Trinidad and Tobago Financial Institution obtains, or has previously

reviewed and maintains a record of:

- (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); or
- (2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.

C. Additional Procedures Applicable to Pre-existing Individual Accounts That Are Lower Value Accounts.

1. Review of Pre-existing Individual Accounts that are Lower Value Accounts for U.S. indicia must be completed within two years from the Determination Date.
2. If there is a change of circumstances with respect to a Pre-existing Individual Account that is a Lower Value Account that results in one or more U.S. indicia described in subparagraph B(1) of this section being associated with the account, then the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account unless subparagraph B(4) of this section applies.
3. Except for Depository Accounts described in subparagraph A(4) of this section, any Pre-existing Individual Account that has been identified as a U.S. Reportable Account under this section shall be treated as a U.S. Reportable Account in all subsequent years, unless the Account Holder ceases to be a Specified U.S. Person.

D. Enhanced Review Procedures for Pre-existing Individual Accounts With a Balance or Value That Exceeds \$1,000,000 as of the Determination Date or December 31 of 2015 or Any Subsequent Year (“High Value Accounts”).

1. **Electronic Record Search.** The Reporting Trinidad and Tobago Financial Institution must review electronically searchable data maintained by the Reporting Trinidad and Tobago Financial Institution for any of the U.S. indicia described in subparagraph B(1) of this section.

2. **Paper Record Search.** If the Reporting Trinidad and Tobago Financial Institution's electronically searchable databases include fields for, and capture all of the information described in, subparagraph D(3) of this section, then no further paper record search is required. If the electronic databases do not capture all of this information, then with respect to a High Value Account, the Reporting Trinidad and Tobago Financial Institution must also review the current customer master file and, to the extent not contained in the current customer master file, the following documents associated with the account and obtained by the Reporting Trinidad and Tobago Financial Institution within the last five years for any of the U.S. indicia described in subparagraph B(1) of this section:
 - (a) The most recent documentary evidence collected with respect to the account;
 - (b) The most recent account opening contract or documentation;
 - (c) The most recent documentation obtained by the Reporting Trinidad and Tobago Financial Institution pursuant to AML/KYC Procedures or for other regulatory purposes;
 - (d) Any power of attorney or signature authority forms currently in effect; and
 - (e) Any standing instructions to transfer funds currently in effect.
3. **Exception Where Databases Contain Sufficient Information.** A Reporting Trinidad and Tobago Financial Institution is not required to perform the paper record search described in subparagraph D(2) of this section if the Reporting Trinidad and Tobago Financial Institution's electronically searchable information includes the following:
 - (a) The Account Holder's nationality or residence status;
 - (b) The Account Holder's residence address and mailing address currently on file with the Reporting Trinidad and Tobago Financial Institution;
 - (c) The Account Holder's telephone number(s) currently on file, if any, with the Reporting Trinidad and Tobago Financial Institution;

- (d) Whether there are standing instructions to transfer funds in the account to another account (including an account at another branch of the Reporting Trinidad and Tobago Financial Institution or another Financial Institution);
- (e) Whether there is a current “in-care-of” address or “hold mail” address for the Account Holder; and
- (f) Whether there is any power of attorney or signatory authority for the account.

4. **Relationship Manager Inquiry for Actual Knowledge.** In addition to the electronic and paper record searches described above, the Reporting Trinidad and Tobago Financial Institution must treat as a U.S. Reportable Account any High Value Account assigned to a relationship manager (including any Financial Accounts aggregated with such High Value Account) if the relationship manager has actual knowledge that the Account Holder is a Specified U.S. Person.

5. **Effect of Finding U.S. Indicia.**

- (a) If none of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the enhanced review of High Value Accounts described above, and the account is not identified as held by a Specified U.S. Person in subparagraph D(4) of this section, then no further action is required until there is a change in circumstances that results in one or more U.S. indicia being associated with the account.
- (b) If any of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the enhanced review of High Value Accounts described above, or if there is a subsequent change in circumstances that results in one or more U.S. indicia being associated with the account, then the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.

- (c) Except for Depository Accounts described in subparagraph A(4) of this section, any Pre-existing Individual Account that has been identified as a U.S. Reportable Account under this section shall be treated as a U.S. Reportable Account in all subsequent years, unless the Account Holder ceases to be a Specified U.S. Person.

E. Additional Procedures Applicable to High Value Accounts.

1. If a Pre-existing Individual Account is a High Value Account as of the Determination Date, the Reporting Trinidad and Tobago Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account within one year from the Determination Date. If based on this review such account is identified as a U.S. Reportable Account on or before 31st December, 2014, the Reporting Trinidad and Tobago Financial Institution must report the required information about such account with respect to 2014 in the first report on the account and on an annual basis thereafter. In the case of an account identified as a U.S. Reportable Account after December 31, 2014, the Reporting Trinidad and Tobago Financial Institution is not required to report information about such account with respect to 2014, but must report information about the account on an annual basis thereafter.
2. If a Pre-existing Individual Account is not a High Value Account as of the Determination Date, but becomes a High Value Account as of the last day of 2015 or any subsequent calendar year, the Reporting Trinidad and Tobago Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account within six months after the last day of the calendar year in which the account becomes a High Value Account. If based on this review such account is identified as a U.S. Reportable Account, the Reporting Trinidad and Tobago Financial Institution must report the required information about such account with respect to the year in which it is identified as a U.S. Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Specified U.S. Person.
3. Once a Reporting Trinidad and Tobago Financial

Institution applies the enhanced review procedures described in paragraph D of this section to a High Value Account, the Reporting Trinidad and Tobago Financial Institution is not required to re-apply such procedures, other than the relationship manager inquiry described in subparagraph D(4) of this section, to the same High Value Account in any subsequent year.

4. If there is a change of circumstances with respect to a High Value Account that results in one or more U.S. indicia described in subparagraph B(1) of this section being associated with the account, then the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.
5. A Reporting Trinidad and Tobago Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the Account Holder has a new mailing address in the United States, the Reporting Trinidad and Tobago Financial Institution is required to treat the new address as a change in circumstances and, if it elects to apply subparagraph B(4) of this section, is required to obtain the appropriate documentation from the Account Holder.

F. Pre-existing Individual Accounts that have been Documented for certain other Purposes. A Reporting Trinidad and Tobago Financial Institution that has previously obtained documentation from an Account Holder to establish the Account Holder's status as neither a U.S. citizen nor a U.S. resident in order to meet its obligations under a qualified intermediary, withholding foreign partnership, or withholding foreign trust agreement with the IRS, or to fulfill its obligations under chapter 61 of Title 26 of the United States Code, is not required to perform the procedures described in subparagraph B(1) of this section with respect to Lower Value Accounts or subparagraphs D(1) through D(3) of this section with respect to High Value Accounts.

VIII. New Individual Accounts. The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts among Financial Accounts held by individuals and opened after the Determination Date ("New Individual Accounts").

A. Accounts Not Required to Be Reviewed, Identified, or Reported. Unless the Reporting Trinidad and Tobago Financial Institution elects otherwise, either with respect to all New Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Trinidad and Tobago provide for such an election, the following New Individual Accounts are not required to be reviewed, identified, or reported as U.S. Reportable Accounts:

1. A Depository Account unless the account balance exceeds \$50,000 at the end of any calendar year or other appropriate reporting period.
2. A Cash Value Insurance Contract unless the Cash Value exceeds \$50,000 at the end of any calendar year or other appropriate reporting period.

B. Other New Individual Accounts. With respect to New Individual Accounts not described in paragraph A of this section, upon account opening (or within 90 days after the end of the calendar year in which the account ceases to be described in paragraph A of this section), the Reporting Trinidad and Tobago Financial Institution must obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Trinidad and Tobago Financial Institution to determine whether the Account Holder is resident in the United States for tax purposes (for this purpose, a U.S. citizen is considered to be resident in the United States for tax purposes, even if the Account Holder is also a tax resident of another jurisdiction) and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Trinidad and Tobago Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.

1. If the self-certification establishes that the Account Holder is resident in the United States for tax purposes, the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account and obtain a self-certification that includes the Account Holder's U.S. TIN (which may be an IRS Form W-9 or other similar agreed form).
2. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Trinidad and Tobago Financial Institution to know, or have reason to know, that the original self-certification is incorrect or unreliable, the Reporting Trinidad and Tobago Financial Institution cannot rely on the original self-certification and must obtain a valid

self-certification that establishes whether the Account Holder is a U.S. citizen or resident for U.S. tax purposes. If the Reporting Trinidad and Tobago Financial Institution is unable to obtain a valid self-certification, the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account.

IX. Pre-existing Entity Accounts. The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts and accounts held by Nonparticipating Financial Institutions among Pre-existing Accounts held by Entities (“Pre-existing Entity Accounts”).

A. Entity Accounts Not Required to Be Reviewed, Identified or Reported. Unless the Reporting Trinidad and Tobago Financial Institution elects otherwise, either with respect to all Pre-existing Entity Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Trinidad and Tobago provide for such an election, a Pre-existing Entity Account with an account balance or value that does not exceed \$250,000 as of the Determination Date, is not required to be reviewed, identified, or reported as a U.S. Reportable Account until the account balance or value exceeds \$1,000,000.

B. Entity Accounts Subject to Review. A Pre-existing Entity Account that has an account balance or value that exceeds \$250,000 as of the Determination Date, and a Preexisting Entity Account that does not exceed \$250,000 as of the Determination Date but the account balance or value of which exceeds \$1,000,000 as of the last day of 2015 or any subsequent calendar year, must be reviewed in accordance with the procedures set forth in paragraph D of this section.

C. Entity Accounts With Respect to Which Reporting Is Required. With respect to Pre-existing Entity Accounts described in paragraph B of this section, only accounts that are held by one or more Entities that are Specified U.S. Persons, or by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents, shall be treated as U.S. Reportable Accounts. In addition, accounts held by Nonparticipating Financial Institutions shall be treated as accounts for which aggregate payments as described in subparagraph 1(b) of Article 4 of the Agreement are reported to the Trinidad and Tobago Competent Authority.

D. Review Procedures for Identifying Entity Accounts With Respect to Which Reporting Is Required.

For Pre-existing Entity Accounts described in paragraph B of this section, the Reporting Trinidad and Tobago Financial Institution must apply the following review procedures to determine whether the account is held by one or more Specified U.S. Persons, by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents, or by Nonparticipating Financial Institutions:

1. Determine Whether the Entity Is a Specified U.S. Person.

- (a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Account Holder is a U.S. Person. For this purpose, information indicating that the Account Holder is a U.S. Person includes a U.S. place of incorporation or organization, or a U.S. address.
- (b) If the information indicates that the Account Holder is a U.S. Person, the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account unless it obtains a self-certification from the Account Holder (which may be on an IRS Form W-8 or W-9, or a similar agreed form), or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Specified U.S. Person.

2. Determine Whether a Non-U.S. Entity is a Financial Institution.

- (a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Account Holder is a Financial Institution.
- (b) If the information indicates that the Account Holder is a Financial Institution, or the Reporting Trinidad and Tobago Financial Institution verifies the Account Holder's Global Intermediary Identification Number on the published IRS FFI list, then the account is not a U.S. Reportable Account.

3. Determine Whether a Financial Institution is a Nonparticipating Financial Institution Payments to Which Are Subject to Aggregate Reporting Under Subparagraph 1(b) of Article 4 of the Agreement.

- (a) Subject to subparagraph D(3)(b) of this section, a Reporting Trinidad and Tobago Financial Institution may determine that the Account Holder is a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution if the Reporting Trinidad and Tobago Financial Institution reasonably determines that the Account Holder has such status on the basis of the Account Holder's Global Intermediary Identification Number on the published IRS FFI list or other information that is publicly available or in the possession of the Reporting Trinidad and Tobago Financial Institution, as applicable. In such case, no further review, identification, or reporting is required with respect to the account.
- (b) If the Account Holder is a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution, then the account is not a U.S. Reportable Account, but payments to the Account Holder must be reported as contemplated in subparagraph 1(b) of Article 4 of the Agreement.
- (c) If the Account Holder is not a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution, then the Reporting Trinidad and Tobago Financial Institution must treat the Account Holder as a Nonparticipating Financial Institution payments to which are reportable under subparagraph 1(b) of Article 4 of the Agreement, unless the Reporting Trinidad and Tobago Financial Institution:
 - (1) Obtains a self-certification (which may be on an IRS Form W-8 or similar agreed form) from the Account Holder that it is a certified deemed-compliant

FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; or

- (2) In the case of a participating FFI or registered deemed-compliant FFI, verifies the Account Holder's Global Intermediary Identification Number on the published IRS FFI list.

- 4. Determine Whether an Account Held by an NFFE Is a U.S. Reportable Account.** With respect to an Account Holder of a Pre-existing Entity Account that is not identified as either a U.S. Person or a Financial Institution, the Reporting Trinidad and Tobago Financial Institution must identify (i) whether the Account Holder has Controlling Persons; (ii) whether the Account Holder is a Passive NFFE; and (iii) whether any of the Controlling Persons of the Account Holder is a U.S. citizen or resident. In making these determinations the Reporting Trinidad and Tobago Financial Institution must follow the guidance in subparagraphs D(4)(a) through D(4)(d) of this section in the order most appropriate under the circumstances:
- (a) For purposes of determining the Controlling Persons of an Account Holder, a Reporting Trinidad and Tobago Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.
 - (b) For purposes of determining whether the Account Holder is a Passive NFFE, the Reporting Trinidad and Tobago Financial Institution must obtain a self-certification (which may be on an IRS Form W-8 or W-9, or on a similar agreed form) from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFFE.
 - (c) For purposes of determining whether a Controlling Person of a Passive NFFE is a U.S. citizen or resident for tax purposes, a Reporting Trinidad and Tobago Financial Institution may rely on:

- (1) Information collected and maintained pursuant to AML/KYC Procedures in the case of a Pre-existing Entity Account held by one or more NFFEs with an account balance or value that does not exceed \$1,000,000; or
- (2) A self-certification (which may be on an IRS Form W-8 or W-9, or on a similar agreed form) from the Account Holder or such Controlling Person in the case of a Pre-existing Entity Account held by one or more NFFEs with an account balance or value that exceeds \$1,000,000.

(d) If any Controlling Person of a Passive NFFE is a U.S. citizen or resident, the account shall be treated as a U.S. Reportable Account.

E. Timing of Review and Additional Procedures Applicable to Pre-existing Entity Accounts.

1. Review of Pre-existing Entity Accounts with an account balance or value that exceeds \$250,000 as of the Determination Date must be completed within two years from the Determination Date.
2. Review of Pre-existing Entity Accounts with an account balance or value that does not exceed \$250,000 as of the Determination Date, but exceeds \$1,000,000 as of December 31 of 2015 or any subsequent year, must be completed within six months after the last day of the calendar year in which the account balance or value exceeds \$1,000,000.
3. If there is a change of circumstances with respect to a Pre-existing Entity Account that causes the Reporting Trinidad and Tobago Financial Institution to know, or have reason to know, that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Trinidad and Tobago Financial Institution must redetermine the status of the account in accordance with the procedures set forth in paragraph D of this section.

X. New Entity Accounts. The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts and

accounts held by Nonparticipating Financial Institutions among Financial Accounts held by Entities and opened after the Determination Date (“New Entity Accounts”).

A. Entity Accounts Not Required to Be Reviewed, Identified or Reported. Unless the Reporting Trinidad and Tobago Financial Institution elects otherwise, either with respect to all New Entity Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Trinidad and Tobago provide for such election, a credit card account or a revolving credit facility treated as a New Entity Account is not required to be reviewed, identified, or reported, provided that the Reporting Trinidad and Tobago Financial Institution maintaining such account implements policies and procedures to prevent an account balance owed to the Account Holder that exceeds \$50,000.

B. Other New Entity Accounts. With respect to New Entity Accounts not described in paragraph A of this section, the Reporting Trinidad and Tobago Financial Institution must determine whether the Account Holder is: (i) a Specified U.S. Person; (ii) a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; or (iv) an Active NFFE or Passive NFFEs:

1. Subject to subparagraph B(2) of this section, a Reporting Trinidad and Tobago Financial Institution may determine that the Account Holder is an Active NFFE, a Trinidad and Tobago Financial Institution, or other Partner Jurisdiction Financial Institution if the Reporting Trinidad and Tobago Financial Institution reasonably determines that the Account Holder has such status on the basis of the Account Holder’s Global Intermediary Identification Number or other information that is publicly available or in the possession of the Reporting Trinidad and Tobago Financial Institution, as applicable.
2. If the Account Holder is a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution, then the account is not a U.S. Reportable Account, but payments to the Account Holder must be reported as contemplated in subparagraph 1(b) of Article 4 of the Agreement.

3. In all other cases, a Reporting Trinidad and Tobago Financial Institution must obtain a self-certification from the Account Holder to establish the Account Holder's status. Based on the self-certification, the following rules apply:
 - (a) If the Account Holder is a Specified U.S. Person, the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account.
 - (b) If the Account Holder is a Passive NFFE, the Reporting Trinidad and Tobago Financial Institution must identify the Controlling Persons as determined under AML/KYC Procedures, and must determine whether any such person is a U.S. citizen or resident on the basis of a self-certification from the Account Holder or such person. If any such person is a U.S. citizen or resident, the Reporting Trinidad and Tobago Financial Institution must treat the account as a U.S. Reportable Account.
 - (c) If the Account Holder is: (i) a U.S. Person that is not a Specified U.S. Person; (ii) subject to subparagraph B(3)(d) of this section, a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; (iv) an Active NFFE; or (v) a Passive NFFE none of the Controlling Persons of which is a U.S. citizen or resident, then the account is not a U.S. Reportable Account, and no reporting is required with respect to the account.
 - (d) If the Account Holder is a Nonparticipating Financial Institution (including a Trinidad and Tobago Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution), then the account is not a U.S. Reportable Account, but payments to the Account Holder must be reported as contemplated in subparagraph 1(b) of Article 4 of the Agreement.

VI. **Special Rules and Definitions.** The following additional rules and definitions apply in implementing the due diligence procedures described above:

A. **Reliance on Self-Certifications and Documentary Evidence.** A Reporting Trinidad and Tobago Financial Institution may not rely on a self-certification or documentary evidence if the Reporting Trinidad and Tobago Financial Institution knows or has reason to know that the self-certification or documentary evidence is incorrect or unreliable.

- (e) Substantially all of the activities of the NFFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an entity shall not qualify for NFFE status if the entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- (f) The NFFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFFE shall not qualify for this exception after the date that is 24 months after the date of the initial organization of the NFFE;

- (i) The NFFE is an “excepted NFFE” as described in relevant U.S. Treasury Regulations; or
- (j) The NFFE meets all of the following requirements:
 - (i) It is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organization, business league, chamber of commerce, labor organization, agricultural or horticultural organization, civic league or an organization operated exclusively for the promotion of social welfare;
 - (ii) It is exempt from income tax in its jurisdiction of residence;
 - (iii) It has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
 - (iv) The applicable laws of the NFFE’s jurisdiction of residence or the NFFE’s formation documents do not permit any income or assets of the NFFE to be distributed to, or applied for the benefit of, a private person or non-charitable Entity other than pursuant to the conduct of the NFFE’s charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the NFFE has purchased; and

- (v) The applicable laws of the NFFE's jurisdiction of residence or the NFFE's formation documents require that, upon the NFFE's liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organization, or escheat to the government of the NFFE's jurisdiction of residence or any political subdivision thereof.

5. **Pre-existing Account.** A "Pre-existing Account" means a Financial Account maintained by a Reporting Financial Institution as of the Determination Date.
6. **Determination Date.** The "Determination Date" means the date, which may be prior to entry into force of this Agreement, on which the Treasury Department determines not to apply withholding under section 1471 of the U.S. Internal Revenue Code to Trinidad and Tobago Financial Institutions. That date is:
 - (a) 30th June, 2014, in the case of (i) a jurisdiction that signed an agreement with the United States to implement FATCA or facilitate FATCA implementation on or before 30th June, 2014; or (ii) a jurisdiction that the Treasury Department determined reached such an agreement in substance on or before 30th June, 2014, and is included on the Treasury Department list of such jurisdictions;
 - (b) 30th November, 2014, in the case of a jurisdiction that the Treasury Department determined reached such an agreement in substance on or after 1st July, 2014, and on or before 30th November, 2014, and is included on the Treasury Department list of such jurisdictions; or
 - (c) the date of signature of such an agreement, in the case of any other jurisdiction.
 The Determination Date for Trinidad and Tobago is 30th November, 2014.

C. Account Balance Aggregation and Currency Translation Rules.

1. **Aggregation of Individual Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an individual, a Reporting Trinidad and Tobago Financial Institution is required to aggregate all Financial Accounts maintained by the Reporting Trinidad and Tobago Financial Institution,

or by a Related Entity, but only to the extent that the Reporting Trinidad and Tobago Financial Institution's computerized systems link the Financial Accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this paragraph 1.

2. **Aggregation of Entity Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an Entity, a Reporting Trinidad and Tobago Financial Institution is required to take into account all Financial Accounts that are maintained by the Reporting Trinidad and Tobago Financial Institution, or by a Related Entity, but only to the extent that the Reporting Trinidad and Tobago Financial Institution's computerized systems link the Financial Accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances or values to be aggregated.
3. **Special Aggregation Rule Applicable to Relationship Managers.** For purposes of determining the aggregate balance or value of Financial Accounts held by a person to determine whether a Financial Account is a High Value Account, a Reporting Trinidad and Tobago Financial Institution is also required, in the case of any Financial Accounts that a relationship manager knows, or has reason to know, are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts.
4. **Currency Translation Rule.** For purposes of determining the balance or value of Financial Accounts denominated in a currency other than the U.S. dollar, a Reporting Trinidad and Tobago Financial Institution must convert the U.S. dollar threshold amounts described in this Annex I into such currency using a published spot rate determined as of the last day of the calendar year preceding the year in which the Reporting Trinidad and Tobago Financial Institution is determining the balance or value.

D. Documentary Evidence. For purposes of this Annex I, acceptable documentary evidence includes any of the following:

1. A certificate of residence issued by an authorized government body (for example, a government or agency thereof, or a municipality) of the jurisdiction in which the payee claims to be a resident.
2. With respect to an individual, any valid identification issued by an authorized government body (for example, a government or agency thereof, or a municipality), that includes the individual's name and is typically used for identification purposes.
3. 5. Any financial statement, third-party credit report, bankruptcy filing, or U.S. Securities and Exchange Commission report.

E. Alternative Procedures for Financial Accounts Held by Individual Beneficiaries of a Cash Value Insurance Contract. A Reporting Trinidad and Tobago Financial Institution may presume that an individual beneficiary (other than the owner) of a Cash Value Insurance Contract receiving a death benefit is not a Specified U.S. Person and may treat such Financial Account as other than a U.S. Reportable Account unless the Reporting Trinidad and Tobago Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Specified U.S. Person. A Reporting Trinidad and Tobago Financial Institution has reason to know that a beneficiary of a Cash Value Insurance Contract is a Specified U.S. Person if the information collected by the Reporting Trinidad and Tobago Financial Institution and associated with the

beneficiary contains U.S. indicia as described in subparagraph (B)(1) of section II of this Annex I. If a Reporting Trinidad and Tobago Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Specified U.S. Person, the Reporting Trinidad and Tobago Financial Institution must follow the procedures in subparagraph B(3) of section II of this Annex I.

F. Reliance on Third Parties. Regardless of whether an election is made under paragraph C of section I of this Annex I, Trinidad and Tobago may permit Reporting Trinidad and Tobago Financial Institutions to rely on due diligence procedures performed by third parties, to the extent provided in relevant U.S. Treasury Regulations.

G. Alternative Procedures for New Accounts Opened Prior to Entry Into Force of this Agreement.

1. **Applicability.** If Trinidad and Tobago has provided a written notice to the United States prior to entry into force of this Agreement that, as of the Determination Date, Trinidad and Tobago lacked the legal authority to require Reporting Trinidad and Tobago Financial Institutions either: (i) to require Account Holders of New Individual Accounts to provide the self-certification specified in section III of this Annex I; or (ii) to perform all the due diligence procedures related to New Entity Accounts specified in section V of this Annex I, then Reporting Trinidad and Tobago Financial Institutions may apply the alternative procedures described in subparagraph G(2) of this section, as applicable, to such New Accounts, in lieu of the procedures otherwise required under this Annex I. The alternative procedures described in subparagraph G(2) of this section shall be available only for those New Individual Accounts or New Entity Accounts, as applicable, opened prior to the earlier of: (i) the date Trinidad and Tobago has the ability to compel Reporting Trinidad and Tobago Financial Institutions to comply with the due diligence procedures described in section III or section V of this Annex I, as applicable, which date Trinidad and Tobago shall inform the United States of in writing by the date of entry into force of this Agreement; or (ii) the date of entry into force of this Agreement. If the alternative procedures for New Entity Accounts opened after the Determination Date, and before 1st January, 2015, described in paragraph H of this section are applied with respect to all New Entity

Accounts or a clearly identified group of such accounts, the alternative procedures described in this paragraph G may not be applied with respect to such New Entity Accounts. For all other New Accounts, Reporting Trinidad and Tobago Financial Institutions must apply the due diligence procedures described in section III or section V of this Annex I, as applicable, to determine if the account is a U.S. Reportable Account or an account held by a Nonparticipating Financial Institution.

2. Alternative Procedures.

- (a) Within one year after the date of entry into force of this Agreement, Reporting Trinidad and Tobago Financial Institutions must: (i) with respect to a New Individual Account described in subparagraph G(1) of this section, request the self-certification specified in section III of this Annex I and confirm the reasonableness of such self-certification consistent with the procedures described in section III of this Annex I; and (ii) with respect to a New Entity Account described in subparagraph G(1) of this section, perform the due diligence procedures specified in section V of this Annex I and request information as necessary to document the account, including any self-certification, required by section V of this Annex I.
- (b) Trinidad and Tobago must report on any New Account that is identified pursuant to subparagraph G(2)(a) of this section as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable, by the date that is the later of: (i) 30th September next following the date that the account is identified as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable; or (ii) 90 days after the account is identified as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable. The information required to be reported with respect to such a New Account is any information that would have been reportable under this Agreement if

the New Account had been identified as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable, as of the date the account was opened.

- (c) By the date that is one year after the date of entry into force of this Agreement, Reporting Trinidad and Tobago Financial Institutions must close any New Account described in subparagraph G(1) of this section for which it was unable to collect the required self-certification or other documentation pursuant to the procedures described in subparagraph G(2)(a) of this section. In addition, by the date that is one year after the date of entry into force of this Agreement, Reporting Trinidad and Tobago Financial Institutions must: (i) with respect to such closed accounts that prior to such closure were New Individual Accounts (without regard to whether such accounts were High Value Accounts), perform the due diligence procedures specified in paragraph D of section II of this Annex I; or (ii) with respect to such closed accounts that prior to such closure were New Entity Accounts, perform the due diligence procedures specified in section IV of this Annex I.
- (d) Trinidad and Tobago must report on any closed account that is identified pursuant to subparagraph G(2)(c) of this section as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable, by the date that is the later of: (i) September 30 next following the date that the account is identified as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable; or (ii) 90 days after the account is identified as a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution, as applicable. The information required to be reported for such a closed account is any information that would have been reportable under this Agreement if the account had been identified as a U.S. Reportable Account or as an account held by a

Nonparticipating Financial Institution, as applicable,
as of the date the account was opened.

H. Alternative Procedures for New Entity Accounts Opened after the Determination Date, and before 1st January, 2015. For New Entity Accounts opened after the Determination Date, and before 1st January, 2015, either with respect to all New Entity Accounts or, separately, with respect to any clearly identified group of such accounts, Trinidad and Tobago may permit Reporting Trinidad and Tobago Financial Institutions to treat such accounts as Pre-existing Entity Accounts and apply the due diligence procedures related to Pre-existing Entity Accounts specified in section IV of this Annex I in lieu of the due diligence procedures specified in section V of this Annex I. In this case, the due diligence procedures of section IV of this Annex I must be applied without regard to the account balance or value threshold specified in paragraph A of section IV of this Annex I.
