Motions:

(i) The debate on the following Motion which was in progress when the Senate adjourned on Wednesday May 25, 2022 will be resumed:

WHEREAS in 2001 the States of the Caribbean Community established by agreement (by treaty) the Caribbean Court of Justice (“the Court”), convinced that the Court would have a determinative role in the development of Caribbean jurisdiction steeped in the ethos of the region;

AND WHEREAS Trinidad and Tobago, having ratified without reservation the agreement establishing the Court, is bound under treaty to refer its appeals to the Court in lieu of continuing to have them heard by the Judicial Committee of the Privy Council;

AND WHEREAS the unique and varied legal matters which arise in the Caribbean are far removed and foreign to the society, culture and habits of the Judicial Committee of the Privy Council, as sentiment echoed by Privy Council judges and senior British legal figures;

AND WHEREAS almost all Commonwealth States outside the Caribbean as well as four CARICOM states, have since delinked from the Privy Council, recognizing that it goes against the sovereignty of independent nations, and is therefore politically unacceptable, to have such a foreign tribunal permanently entrenched in their Constitutions as their final appellate Court;

AND WHEREAS this is an appropriate time for Trinidad and Tobago to accede to the Court in its appellate jurisdiction, so that the Country’s civil, criminal and constitutional appeals can be heard by the Court, which will also serve this Country’s democratic and developmental objectives regarding affordability, relevance and increased access to justice;

BE IT RESOLVED that this Senate agree that the Caribbean Court of Justice be recognized as the final Court of Appeal for Trinidad and Tobago and that the appropriate amendments be made to alter the Constitution of Trinidad and Tobago so as to entrench the court as its final court of appeal.

(By Senator Anthony Vieira)

AND WHEREAS Commissions of Enquiry are recognized as an important tool for social investigation in contemporary society, an effective mechanism for delivering into and ameliorating matters of public concern;

AND WHEREAS successive Government administrations have failed to adequately address public concerns which have arisen from time to time on whether the Commissions of Enquiry in Trinidad and Tobago have been effectively and efficiently carrying out their mandate;

BE IT RESOLVED that this Senate call on the Government to review the Commissions of Enquiry Act, Chap. 19:01 and the public inquiry process in Trinidad and Tobago.

(By Senator Anthony Vieira)

(iii) WHEREAS on April 24, 2018 the Senate unanimously passed a resolution calling on the Government “… to introduce legislation on parliamentary autonomy during the Fourth Session of the Eleventh Parliament and have same referred to a Joint Select Committee of Parliament for consideration and report before the end of the Fourth Session of the Eleventh Parliament”;

AND WHEREAS on February 12, 2019, in the Senate, the Attorney General committed to making best efforts to have legislation on Parliamentary Autonomy introduced in the Fourth Session of the Eleventh Parliament;

AND WHEREAS to date the Government has not presented to Parliament a legislative framework on Parliamentary Autonomy;

BE IT RESOLVED that the Senate call on the Government to reaffirm its commitment to introduce a legislative framework on Parliamentary Autonomy;

AND BE IT FURTHER RESOLVED that the Senate call on the Government to introduce in Parliament, within three (3) months, a Bill on Parliamentary Autonomy and have same referred to a Joint Select Committee of Parliament for consideration and report.

AND WHEREAS there are other sections of the Act that offer the necessary checks and balances in safeguarding the personal data/information of every citizen;

BE IT RESOLVED that the Senate call on the Government to immediately proclaim the remaining sections of the Data Protection Act and in the process ensure the necessary checks and balances aimed at safeguarding citizens’ fundamental right to privacy.

(By Senator Wade Mark)

AND WHEREAS the President of the Senate by her rulings has demonstrated her bias in favor of the PNM Government and her lack of understanding of the nature and role of the Office of President of the Senate;

AND WHEREAS by her actions the Senate President has stifled the freedom of debate guaranteed by the Constitution and thus brought this Senate into disrepute;
