# HOUSE OF REPRESENTATIVES

THIRD SESSION  
TWELFTH PARLIAMENT

SITTING NO. 19  
2022/2023

## FRIDAY MARCH 24, 2023 1:30 P.M. NOTICE OF PRIME MINISTER'S QUESTIONS

The under-mentioned Questions which have been accepted by the Speaker in accordance with Standing Order 26 are hereby forwarded for the attention of the Prime Minister.

1. Given that the U.S. Department of State 2022 Country Reports on Human Rights Practices noted an unacceptable number of unlawful killings by the Trinidad and Tobago Police Service due to the slow pace of the judicial process, will the Prime Minister indicate what new initiatives are contemplated to deal with this extremely grave accusation?  
**(By the Member for Naparima)**
2. Given that three senior Air Guard pilots have reportedly resigned due to alleged significant management and operational issues as well as the inexplicable removal of key crime detection equipment within the Air Guard, will the Prime Minister state what immediate steps are being taken to ensure that our aerial defence capabilities are fully operational?  
**(By the Member for Naparima)**
3. Given that this country hosted a regional anti-slavery forum in early February, will the Prime Minister indicate whether our National Reparations Committee is fully constituted, funded, and functioning to give effect to our national policy on reparations?  
**(By the Member for Naparima)**
4. Given the interconnectivity of the global financial system and the potential for financial contagion, will the Prime Minister advise what is the state's exposure, both directly and indirectly, as a result of the Union Bank of Switzerland Credit Suisse?  
**(By the Member for Chaguanas West)**
5. In light of the collapse of Union Bank of Switzerland Credit Suisse, a bank with which this Government has commercial dealings, will the Prime Minister inform the House what specific measures have been put in place to address any potential fallout or contagion effects?  
**(By the Member for Oropouche West)**
6. Will the Prime Minister inform this House whether the Heritage and Stabilisation Fund (HSF) has any direct or indirect exposure to Credit Suisse and the value of that exposure?  
**(By the Member for Chaguanas West)**
7. Given that the 2020 Financial System Stability Assessment report made several recommendations to improve the resilience of our financial system to shocks and contagion,

will the Prime Minister state if the Government and the Central Bank of Trinidad and Tobago have adopted and/or implemented any of these recommendations?

**(By the Member for Chaguanas West)**
