Motions:

* Question No. 15 was deferred for two weeks on 23.09.2026

1. **The debate on the following Motion which was adjourned on Tuesday September 22, 2026, will be resumed:**

WHEREAS section 4 of the Constitution of the Republic of Trinidad and Tobago, Chap. 1:01, affirms the principle of social justice including equality of opportunity and access to decent work;

AND WHEREAS the economic transformation and sustainable development of Trinidad and Tobago require coordinated and forward-looking national workforce planning;

AND WHEREAS persistent labour market mismatches, including skills gaps, youth unemployment, underemployment and misalignment between education and national economic priorities, continue to constrain productivity and economic participation;

AND WHEREAS international best practice among advanced economies demonstrates the value of integrated workforce development frameworks grounded in labour market intelligence and strong collaboration among government, industry, education and training institutions;

AND WHEREAS a National Workforce and Manpower Strategic Plan for Trinidad and Tobago should provide for coordinated labour market forecasting; alignment of education and technical and vocational training systems with national development priorities; strengthened industry-education partnerships and work-integrated learning opportunities; development of digital, critical-thinking, green economy and entrepreneurial skills; measures to address youth unemployment and participation disparities; and mechanisms for monitoring and evaluation, including periodic reporting to Parliament;

BE IT RESOLVED that this Senate calls upon the Government to prepare and table in Parliament, within twelve (12) months, a comprehensive National Workforce and Manpower Strategic Plan for Trinidad and Tobago, inclusive of a legislative and institutional framework.

(By Senator Dr. Marlene Attzs)

2. **WHEREAS** Trinidad and Tobago's healthcare system relies predominantly on paper-based records;

AND WHEREAS the fragmentation of patient health information across public and private medical institutions owing to the absence of a unified, interoperable Electronic Medical Records system contributes to duplication of diagnostic procedures, delays in treatment and inefficient use of limited health resources, even more so in emergency cases;

AND WHEREAS digital transformation of health services is a stated priority of the Government of Trinidad and Tobago;

BE IT RESOLVED that this Senate calls upon the Government to develop a comprehensive policy and legislative framework for the development of a National Electronic Medical Records system to manage medical records and health data governance, including standards for the recording, processing, storage, protection and secure sharing of health information, including appropriate cybersecurity and data protection safeguards, interoperability standards, and phased implementation across public and private healthcare institutions;

AND BE IT FURTHER RESOLVED that the Government introduce into Parliament, within twelve (12) months, comprehensive legislation to give effect to a national framework for medical records and health data governance.

(By Senator Dr. Desirée Murray)

3. **WHEREAS** forests constitute a critical national asset that supports the environmental, economic and social development of Trinidad and Tobago;

AND WHEREAS Trinidad and Tobago has established a legislative and policy framework for the protection and management of forests, wildlife, protected areas, watersheds and the environment, including the Forest Act, Chap. 66:01, the Conservation of Wildlife Act, Chap. 67:01, the State Lands Act, Chap. 57:01, and the Environmental Management Act, Chap. 35:05 and

multiple policies aimed at forest and wildlife protection, biodiversity and most recently climate change;

AND WHEREAS evidence presented at Parliamentary Committee inquiries, and other public consultations, has highlighted ongoing concerns regarding deforestation, , biodiversity loss, habitat fragmentation, and the increasing impact of climate change on the natural environment and communities throughout Trinidad and Tobago;

BE IT RESOLVED that this Honourable Senate calls upon the Government to develop and table in Parliament, within twelve (12) months, an integrated, comprehensive National Forest Conservation and Reforestation Strategy for Trinidad and Tobago, including an implementation plan for the review and strengthening of existing legislation, policies and institutional arrangements relating to forests, protected areas, biodiversity conservation and watershed management.
